The Selected Peer Groups report consists of a summary page that details when and how your peer groups were selected (or if you received the default due to not completing the Report Info Form) and three sections that provide peer group details for each of the three report columns.

### Report Column
Criteria for how your institution created each of your three peer groups.

### Institution Names
The name, city and state of the peer institutions are listed for your review.

### How Group was Selected
Indicates whether your group was drawn from a list, built based on criteria, or is the default group.

### Selection Criteria
If criteria were used to build your peer group, they are listed here. The criterion codes are explained on the Comparison Group Selection Criteria Codelist.
