

# Baldwin Free Enterprise Speaker Series

John Perry  
Owner and CEO  
of BioGreen USA  
Reno, Nevada

**For More Information:**

**Call Carrie at 865-8199**

Also, Mr Perry will be leading a “Fireside Chat” on Wednesday, October 15 from 1:30—2:30 p.m. in the Nebraskan Fireplace Lounge. Topics are open, but may include marketing a bio-based fertilizer, labeling and regulations for bio-based products, and how to create an environmentally sound company and products.

**7:30PM**

**October 14, 2008**

**Copeland Hall 142**

Mr. Perry will be sharing the story of his childhood and being home-schooled, finishing his H.S. education at the age of 15, starting college right after, how and why he started 2 companies, and much-much more. He will also talk about having an entrepreneurial mindset, Green companies and their importance to us and our workforce.
