Watch NTV’s Morning Show to see and hear **Dr. Angela Hollman**, Assistant Professor, Telecommunications, Marilyn Kile, APRN, Nurse Practitioner and Advanced Oncology Certified Nurse, Cancer Center, CHI Health Good Samaritan Hospital and **Dr. Michelle Fleig-Palmer**, Associate Professor, Health Care Management, discuss their research “Breast Cancer Support Groups: Identifying Successful Aspects of In-Person Support for Online Communities.”

**Impact**

**Dr. Tim Obermier**, Industrial Technology, testified during the fall of 2016 before the Transportation and Telecommunications committee of the Nebraska Unicameral in regards to the 2016 interim study, Legislative Resolution 538, requesting information to eventually revise telecommunications regulation in the State of Nebraska. Dr. Obermier presented his research regarding the consumer cost of residential internet services among the five classifications of Nebraska municipalities. The same study was presented by invitation to the Nebraska Information Technology Commission in March of 2016 and as a refereed presentation at the ATMAE conference in November of 2015. Results of the study have been requested by the Chair of the Nebraska Public Service Commission, newspaper and radio media outlets, telecommunications industry legal consultants, and it has been shared nationally through the National Telecommunications Industry Association, the PEW Foundation, state public utility commissions and various universities across the country.
Students

Dr. Daniel Chaffin, Management, and his students focus on their entrepreneurial activity on NTV's Morning show.

Experiential Learning/Internship

Rachel Marquardt, junior in Marketing from Dickens, NE, advisor Dr. Ngan Chau, had fantastic summer internship at Maurices in Kearney. Rachel worked in a store management internship, learning store operations, merchandising, human resources, and financials. She continues to work as assistant manager after her internship and hopes to work in Maurices corporate marketing after graduation.

Ciera Neverve, 2012 Marketing Emphasis graduate, is a Group and Alumni Travel Account Manager at Globus Family of Brands in Denver, CO.

CBT Company Connections Program

Purpose: To expose our students to a wide variety of companies and to educate them on what internship and career opportunities these companies have for our students.

“Company Connections” Program Details
1.) One company will be selected each month to have the opportunity to promote their company and career opportunities to CBT students. The company will be allowed have a ‘career fair-like’ booth set up inside the main entrance at West Center.
2.) We will determine the best two to three hour span within the week that has the most student traffic so the company can make as many impressions as possible.
3.) The company will also have the opportunity to make a 15-20 minutes presentation on their career opportunities and company culture to BSAD400 students.
4.) Arrangements to speak in other classes will be a possibility, but not guaranteed
5.) Companies can leave any career oriented materials with the CBT Career Center for display purposes outside CBT Career Center office.
