Students

Experiential Learning/Internship
Ashlee Arehart, senior in Family Studies, minor in Gerontology, advisor Dr. Toni Hill

Kearney’s Ashlee Arehart, Family Studies senior with a Gerontology minor, has been interning this fall at Brookdale Kearney Northridge, an assisted living facility. Ashlee has been working with the Program Director to create activities for the residents that will make them happier and healthier, such as tours to museums, shopping excursions, and exercise classes. She also has
been involved with budget planning, state audits, and program standards. She chose her internship so that she could learn how to interact with elders as well as their families on a more personal level. She hopes to become a nursing home administrator when she graduates in December 2015.

Tell me about your alumni!

Please remember to forward your news items to Marsha Yeagley so that proper coverage can be provided. Your news may be added to the next Dean's List, and/or posted on the "Notables" section of the website, or the Dean's page of the site. When appropriate, a news release will be sent to students' hometown newspapers and/or the Hub, as well as covering the item in the June publication of the College of B&T Annual Report. Remember that what you and your students do "makes a difference." In order to send the press release to the students' hometown newspaper, please provide the hometown. Help us in the recruitment and retention process by informing Marsha of your news. Send to: yeagleym@unk.edu.

Please only send information regarding papers and presentations after the fact. Think about doing an article for the Kearney Hub during the 2015-2016 academic year. Also, consider promoting your program, students, and/or event on NTV (first Wednesday of the month at 6:25 a.m.) and KGFW Talk of the Town (4th Wednesday of each month at 9:30 a.m.) The schedules are attached.

Criteria for the Hub article:
- 500 words or less
- Business tips/backed by your research if you so choose
- Long text or short bullet points
- Author picture and short bio
- Every other month to start

I will send it on to the Hub after the Dean's approval.
