June 12th-15th
Learn business skills at KCLC
Optional opportunity to sell lemonade in downtown Kearney!
As part of your child’s learning program at KCLC, they will learn about small business concepts, such as making a product, counting change, selling to customers, and more! These lessons will take place in the morning at KCLC June 12th-14th, taught by instructors from UNK’s Center for Entrepreneurship & Rural Development.

Non-KCLC students, you have the opportunity to be a part of Lemonade Stand too! Just go online to register for a workshop at UNK on June 15th. Participating students will have the opportunity to set up a Lemonade Stand during 24th Street Night Market and sell their lemonade to customers from 6-8 pm.

This is a great opportunity to put the small business skills learned during the week into action! Each student will give 10% of their profits to a charity of their choice. The rest of the money is theirs to keep! This event will require the involvement of a parent, guardian, or adult mentor.
