### **Workshop Description**

In conjunction with the Office of Graduate Studies, Office of Undergraduate Research, and Division of Research, Dr. Matthew R. Bice (IRB Director) will host a workshop that will guide faculty and students through the process of completing an IRB application. This workshop can be used to facilitate current and future researchers as well as classes that involve research projects.

This workshop will focus on the following objectives:

- Forms associated with IRB applications
- Components of an IRB application
- How to complete a quality IRB application!

This workshop will be recorded and posted on the Graduate Studies webpage.
