Accessing Lopermail & Blackboard

Lopermail is an assigned campus email address. Blackboard is UNK’s online classroom

UNK uses Outlook services for email. **Upon enrollment in classes**, students are assigned a “Lopermail” account. It may take a day or so after enrollment for a lopermail account to be assigned.

Students find their lopermail address by logging into their MyBlue account [https://myblue.nebraska.edu/](https://myblue.nebraska.edu/) and clicking on the “email addresses” link located in the “Profile” section of their account.

The username for your LoperMail & Blackboard account is the first part of the LoperMail address prior to the @ sign. So in the following example `louie123@lopers.unk.edu`, the username is louie123.

To set up the password for Lopermail and Blackboard, students go thru EASI.

- Go to: [https://easi.unk.edu/](https://easi.unk.edu/)
- Click on “Don’t know your Password”
- Click on “Student Password Reset”
- Follow the prompts to create your password.
