UNK Honors Program
Housing Scholarship Competition

The UNK Honors Program is accepting applications for housing waivers for the 2017-2018 academic year. To be eligible, an applicant must currently be a member of the UNK Honors Program in good standing, be a full-time student at UNK in Spring of 2017 and intend to be a full-time student at UNK in Fall of 2017. The housing waiver will cover the cost of a single-occupancy room in Men’s Hall. Recipients of this award must live in Men’s Hall. The housing waiver cannot be converted to a cash scholarship. We anticipate that two awards will be made, but we reserve the right to make no awards or to increase the number of awards.

Interested applicants should submit a hard copy application to the Honors Office, Conrad Hall 115, by December 1, 2016, with the following information:

1. Full Name and NUID number
2. Email Address
3. Academic Major
4. Grade Point Average
5. Description of activities under each of these categories
   a. Undergraduate Research or Creative Activity
   b. Community Service
   c. Study Abroad
   d. Leadership Development

Applicants are not required to have activity in each area. Interested applicants who have questions may contact Dr. Falconer at falconerj@unk.edu. Decisions will be made by December 10.
