### 2012-2013 Catalog

Selected courses are offered during the Summer Session. In order to reduce your load during the school year we recommend that you take a course each summer. This will allow time during your senior year for interviewing. It is recommended you take ITEC 475, Internship, during the summer after your Junior year. It can also be taken upon completion of all your course work.

---

**KEY:**
- F = Course offered in Fall semester
- S = Course offered in Spring semester
