Purpose

UNK's Industrial Distribution Organization is proud to announce our sixth annual UNK IDO Golf Classic. The purpose of the tournament is to raise funds for student scholarships and allow students, company representatives and alumni a chance to network. Our goal is also to help raise funds for events held throughout the year by IDO.

Tournament Format

The tournament will be setup as a four-person scramble. The registration fee is \$75 per golfer. This fee includes a round of golf (18 holes), cart, prizes and fun. If you would like to put together a team, please include the names of your team members on the registration form attached. If you would like to sponsor a student golfer, just write "student sponsor" in one of your team spots. If you have a specific student you would like on your team, please put their name on the form and contact them ahead of time.

Hole Sponsors and Donations

The UNK Industrial Distribution Organization would appreciate your company being a hole sponsor for \$150 or donating prizes to the raffle which will be held after the tournament. (Company clothing, golf items or anything of your choice)

If you're unable to attend and you'd like to sponsor a whole student team, that's an option that's greatly appreciated by the students!
