Praxis Core Tests
(Reading, Writing, and Math)

&

Subject Assessment Tests
(Formerly Praxis II)

The Praxis Core and Subject Assessment tests are required for teacher certification in Nebraska. The Praxis Core tests must be passed before admission to UNK’s Teacher Education Program. The Subject Assessment test(s) must be passed before a standard teaching certificate is issued.

Follow the two links below for more information on the tests. Students are encouraged to thoroughly read the materials provided on the ets.org/praxis website and the information provided at the time of registration. Individuals who do not follow the instructions provided by ETS may lose their registration fees.
