### Additional Information:

- Pursuing another endorsement in addition to Sociology is strongly recommended to make you more marketable. By pursuing only a Sociology endorsement, your student teaching placement can delayed and/or extended. In extreme cases, you may even be required to relocate to fulfill your student teaching requirement.

- **Admission to Teacher Education**, including successful completion of the Praxis Core exams, is required for those seeking Initial Certification. Visit [ets.org](https://www.ets.org) for Nebraska testing requirements.

- The Praxis II content exam required by the Nebraska Department of Education must be successfully completed before recommendation for certification. Visit [ets.org](https://www.ets.org) for Nebraska testing requirements.

- The program information shown above is meant for general information and is subject to change. A transcript review/program of study provides an official list of classes required for the endorsement.

- Content classes are not entirely available on-line.
