Meeting with the Sr. VCAA&SL on Wednesday, December 3 at 3pm.

1. From the FSEC Agenda: What is the structure and current mission of E-Campus/Continuing Education? Are there any changes planned in the structure or mission?

Continuing Education, as such, has been eliminated as a coherent program at UNK although on an ad hoc basis, continuing education programs and courses are occasionally offered by departments. This is an area for future growth and development as the budget may allow.

Distance Education (Gloria Vavricka), including e-campus courses, online courses, TV courses, and off-campus offerings continues to operate and reports to Kenya Taylor, Dean of Graduate Studies and Research.

2. Report from the Sr. VCAA&SL.

SIS. Dr. Murray is on the steering committee and is working with a decision team of key users from all four campuses including representatives from financial aid, registrar's office, institutional research, honors, admissions and faculty. A core team of 1 rep from each key includes two from UNK: Kim Schipporeit and Kathy Livingston. A key issue being addressed is continuing operations during the transition from the old system to the new system. An information session about the new system is scheduled for Monday Dec 10, 1pm-2pm for staff and 2:30-3:30pm for faculty and students.

SEARCHES:
International Studies Director: The search committee has been formed. Peter Longo will chair the committee. The closing date for applicants will be late January.
Ethnic Studies Director: The job advertisement will be out soon.

ACADEMIC ADVANCEMENT PLAN:
The plan from the Sr. VCAA on academic advancement is available for review (see attached). It is organized by target area (not prioritization) and must still be subjected to a cost analysis.
