1.2 Introduction
The University of Nebraska at Kearney (“UNK”) invites proposals from qualified bidders to provide the goods and/or services described below. If the bid process is successful, UNK will enter into a contract with the successful Bidder for the product or service.

UNK is soliciting proposals for the design, purchase, and installation of all furniture for the newly constructed Village Flats student housing, located on the UNK campus, in accordance with the terms, conditions and requirements set forth in this Request for Proposal (“RFP”). The University is seeking furniture for one and two bedroom apartments as well as common area furniture typically found in reception areas, lounges, clubhouses, outdoor patios, and meeting areas.

1.3 Expectations
The primary objective of this solicitation is to identify and select a furniture vendor that can provide the required furnishings for the entire facility, and also provide assistance with design and layout of the furniture to compliment the various architectural components of the new building. The building is currently scheduled to be occupied in August 2018 with the anticipated furniture delivery and installation occurring in July 2018. The total budget for all furniture to be provided, including installation, is $400,000.

1.4 Evaluation Process
A committee comprised of University of Nebraska at Kearney employees will evaluate proposals. Based on the evaluation, a shortlist of vendors will be identified. Those shortlisted vendors will then perform an on-campus presentation, date and time to be determined, of the design and furniture package proposed. Prior to the presentation, vendors will deliver and setup samples of the various furniture items proposed for the University community to review and provide feedback to the committee. Each member of the committee will evaluate each presentation and proposal using a standard evaluation form (EXHIBIT A). The overall scores of each committee member will then be combined for assistance in the discussion to determine the selected vendor.

1.5 Facility Description
This facility consists of a new three-story apartment-style residence hall located adjacent to University Village Commons, southwest of the main UNK campus. The approximately 78,000 gross square foot (gsf), residence hall complex will house 99 apartment units built to serve the needs of families, married students, and older students. The new residence hall will include a total of 31 two-bedroom apartments and 68 one-bedroom apartments. The facility will contain a central core with support spaces including a kitchen, reception desk, staff office, and package storage. Each of the three residential floors will contain collaboration spaces, multimedia spaces, and a laundry facility. The first floor will contain an approximately 1,060 square foot (sf) clubhouse for use by the residents. There will also be 420 square foot (sf) outdoor deck located on the second floor of the building.

At that time, the proposals will be opened publicly. No proposals received after the opening time will be considered. All proposals submitted, along with any exhibits, addenda or modifications, shall be the property of UNK.

3.2 Submitting of Proposal

3.2.1 Mail: Each bidder is responsible for making sure their proposal is properly addressed/identified. In order to assure proper processing and receipt, your bid submittal should be returned in a sealed envelope (or parcel) and delivered to/addressed as follows: University of Nebraska at Kearney, Office of Business Services, 2504 9th Ave, Kearney, NE 68849-1240 along with the applicable “RFP Number” and “Title of Bid” to which you are responding.

3.2.2 In person: If you are delivering your proposal in person, it should be sealed, submitted and labeled in the above manner, and given to an authorized member of the Business Services staff. This provides immediate bid identification.

3.3 Bidder Questions, Clarifications, and Addenda Interpretation

3.3.1 It is the responsibility of each Bidder to become familiar with the project requirements. Lack of knowledge concerning the project requirements will not relieve Bidders of the conditions required as responsive to this RFP.

3.3.2 Except in the course of preliminary conference open to all interested parties, should one be held, no interpretation related to the requirements of this RFP will be made verbally to any Bidder by UNK. Any request for bid interpretation shall be put in writing and faxed or e-mailed by the Bidder and addressed to:

Scott Benson
Office of Business Services
University of Nebraska at Kearney
Kearney, Nebraska 68849-1240

FAX (308) 865-8668
E-mail: bensonsa1@unk.edu
3.3.3 In order to be given consideration, any requests for interpretation must be received no later than 5:00 pm CST on October 23, 2017. Any and all interpretations and any supplemental instructions provided by UNK shall be in the form of a written addenda to the Request for Proposal, which if issued, will be mailed, e-mailed or faxed to all known interested parties or Bidders, or such other form of communication as UNK deems reasonably likely to reach interested parties; provided however, that Bidders who were notified of this RFP by accessing the UNK Office of Business Services website are responsible to check the website from time-to-time in order to inform themselves of any addenda to the RFP. The Bidder, not UNK, is responsible to secure notification and delivery of any addenda. Failure of any Bidder to receive any addenda or other information released by UNK after the initial distribution of this RFP shall not relieve the Bidder from the obligations specified in addenda or other releases. All addenda shall be incorporated in the RFP to the same effect as if they were set out in the initial RFP release. Last day Bidders will receive addendums will be October 25, 2017.

3.3.4 The Bidders are solely responsible for providing their correct mailing addresses, email addresses, and fax numbers for any response to inquiries. UNK is not responsible for lost or undeliverable responses.

3.4 Cost of Preparation
UNK will not be responsible for any costs incurred in preparation of the Bidder’s proposal.

3.5 Bidder Qualification
UNK may make any investigations deemed necessary or request any documentation to evaluate the ability of the Bidder to perform the specifications of this RFP. The Bidder shall furnish UNK with pertinent information and data upon request. UNK reserves the right in its sole discretion to reject any bid based on the facts resulting from an investigation which indicate that a Bidder: (a) is not properly qualified to carry out the obligations of any contract awarded; or (b) presents a public image not in keeping with the professional standards and reputation which UNK expects. Conditional bids will not be accepted.

3.6 Exceptions
Any exceptions with respect to any requirement of this RFP must be specified in writing as part of the submitted proposal. Specific reference must be made to the paragraph numbers and other identifying criteria with respect to any exceptions proposed by the Bidder. Generally, UNK will not look favorably upon the request for any exceptions. However, UNK recognizes that in certain instances, an exception may be appropriate, and therefore, will consider and reserves the right to grant exceptions when UNK deems such exceptions promote its best interests. Conditional bids will not be considered. Unless the exceptions are stated with the proposal at the time of its submission, no further consideration of the exceptions exist and the Bidder will be held responsible for compliance to the detail of all specifications, terms and conditions in this RFP.
SECTION 4: TERMS AND CONDITIONS
The information contained in this section is a partial listing of standard terms commonly appearing in contracts awarded by UNK. All proposals are subject to these terms, unless otherwise explicitly stated.

4.1 General
The specifications, terms and conditions set forth in this RFP and any related award document shall be incorporated by reference, without Bidder exception, into any resulting contract between the University and the successful Bidder. Any additional or different terms proposed by the successful Bidder are not accepted, unless the same are expressly accepted in writing by UNK. The contract may not be changed in any way except by an instrument in writing signed by both parties. The contract cancels and supersedes any prior understandings or agreements between the parties with respect to the subject matter hereof. Failure of any party to enforce its right under the contract shall not constitute a waiver of such rights or of any other rights under the contract.

4.2 Termination for Cause
UNK may terminate the contract at any time if the successful Bidder fails to carry out its terms or fails to make substantial progress toward the fulfillment of those terms. In such an event, UNK shall provide the successful Bidder with a thirty (30) day written notice of the terms in breach. If after such notice, the successful Bidder fails to remedy the breach within those 30 days, UNK may immediately cancel the contract.

4.3 Contract Assignment
Contracts granted pursuant to this RFP shall not be transferred or assigned without prior written consent of UNK.

4.4 Contract Payments
The Nebraska State Treasurer has directed that individual vendor payments of $25,000 or more be processed via ACH (direct deposit to vendor’s bank). Any Bidder who is not currently set up to receive payments from the State of Nebraska and/or the University of Nebraska via ACH, must complete the State of Nebraska ACH Enrollment Form and forward the form to the Nebraska Department of Administrative Services so that the University can complete payment of invoices generated from the award of this contract. The form can be found at http://www.treasurer.state.ne.us/documents/tm/pubachform.pdf.

4.5 Indemnity, General and Patent
The successful Bidder shall indemnify and save harmless UNK and its respective officers, agents and employees from and against any and all liabilities and losses whatsoever, including without limitation, costs and expenses in connection therewith, on account of, or by reason of, injury to or death of, any person whosoever, or loss of or damage to any property whosoever, suffered or sustained in the case of, or in connection with, the performance of the contract, except for that liability and loss arising from the acts or omissions of UNK or its agents.
With respect to anything provided to UNK by the Bidder pursuant to this RFP, the Bidder shall indemnify the University and its respective officers, agents and employees against liability, including costs and attorney's fees for infringement of any United States patent, copyright, trade infringement or other intellectual property right arising out of the manufacture, delivery and use of such by UNK.

4.6 Governing Law; Venue
The laws of the State of Nebraska shall govern any contract awarded to the successful Bidder. Any dispute arising under any contract awarded, which is not settled by agreement of the parties, shall be resolved in forums (except for applicable federal appellate courts) located in the State of Nebraska.

4.7 Force Majeure
Neither party to the contract shall be liable to the other for damages for any delay in performance arising out of causes beyond its reasonable control and without its fault or negligence, including without limitation: (1) fire, flood or water damage, elements of nature or other acts of God, including any of the foregoing that are harmful to electronic circuitry; (2) outbreak or escalation of hostilities, war, riots, or civil disorders in any country; (3) act or omission of the other party or any governmental authority, (4) labor disputes (whether or not the employees’ demands are reasonable or within the party’s power to satisfy), (5) non-performance by a third party (including any voice or data telecommunications common carrier), (6) failures or fluctuations in telephone, computer or other telecommunications equipment or lines or other equipment, (7) the real, potential, or credible threat of terrorist activity, or (8) a health emergency (e.g. serious outbreak of contagious disease such as a influenza pandemic) which in the judgment of UNK poses a serious threat to the public health.
In the case of any such excusable delay, the non-performing party will be excused from performance of any affected obligation only for so long as the cause of the excusable delay prevails and such party continues to use commercially reasonable efforts to re-commence performance of its obligations as soon as possible; provided however, that the parties may mutually agree that such excusable delay is cause to cancel the contract in its entirety, in which case neither party shall be liable to the other for any further performance in relation obligations arising after cancellation.

4.8 Compliance with Laws and Regulations; Gramm Leach Bliley; University of Nebraska Policies
This contract must comply with all applicable federal, state and local laws, specifically including all laws and regulations related to the protection and security of any personal information gathered by the successful Bidder, such as the Gramm Leach Bliley Act implemented at the University of Nebraska by Presidential Executive Memorandum No. 26 which requires specific vendor contract provisions; and all other applicable policies of the University of Nebraska. Bidder agrees to indemnify UNK against any loss, cost, liability, or damage by reason of Bidder’s violation of any applicable law or regulation. Any successful Bidder must be qualified to conduct the business necessary to the performance of the contract in the State of Nebraska throughout the duration of the contract term or any renewal thereof.
The successful Bidder shall obtain, at its own cost and expense, all necessary licenses, professional certifications and permits and shall assume the responsibility for and pay all applicable fees and all other taxes, which are now or may be imposed in the future by any governmental authority arising out of the conduct of Bidder’s business.

4.9 **Sexual Harassment**

State and federal law, as well as the policies of the Board of Regents of the University of Nebraska, prohibit sexual harassment of members of the UNK community. Sexual harassment includes any unwelcome sexual advance, any request for sexual favors, and other verbal or physical conduct of a sexual nature when:

- Submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment or academic standing.
- Submission to, or rejection of, such conduct by an individual is used as the basis for employment decisions or academic decisions affecting such individual.
- Such conduct has the purpose or effect of unreasonably interfering with an individual’s work or academic performance or creating an intimidating, hostile, or offensive working/academic environment.

UNK contractors, subcontractors and suppliers for this project are required to exercise control over their employees so as to prohibit acts of sexual harassment of UNK employees, students and other members of the UNK community. The employer of any person who UNK, in its reasonable judgment, determines has committed an act of sexual harassment agrees as a term and condition of any contract awarded hereunder to cause such person to be removed from the project site and from UNK premises and to take such other action as may be reasonably necessary to cause the sexual harassment to cease.

4.10 **Investigation and Resolution of Discrimination and Harassment Complaints**

State and federal law, as well as the policies of the Board of Regents of the University of Nebraska, prohibit discrimination or harassment against members of the UNK community on the basis of race, color, ethnicity, national origin, sex, pregnancy, sexual orientation, gender identity, religion, disability, age, genetic information, veteran status, marital status, and/or political affiliation. In the event the University determines that an employee, agent or other person affiliated with the Contractor has engaged in discrimination or harassment, the Contractor will take prompt and effective action, in accordance with the University’s direction, to prevent recurrence of the discrimination or harassment and to correct its effects, which may include, removal of the employee, agent or other person affiliated with the Contractor from the University campus. Contractor’s failure to comply with the University’s directive or any other part of the provision will be deemed a material breach of the Agreement, and the University may initiate the termination process in the Agreement.

4.11 **Drug Free Workplace**

The successful Bidder agrees that in the performance of this contract, neither the Bidder nor any of its employees shall engage in the unlawful manufacture, distribution, dispensing,
possession or use of a controlled substance in conducting any activity covered by the contract. UNK reserves the right to request a copy of the Bidder’s Drug Free Workplace Policy. The Bidder further agrees to insert a provision similar to this statement in all subcontracts or services required in response to this RFP.

4.12 Weapons Policy
Possession of firearms, explosives, weapons, dangerous chemicals or fireworks is prohibited on property controlled by the University of Nebraska, in University vehicles and at events sponsored by the University. This policy applies to all members of the general public, students and University employees, except University employees who are specifically authorized to as part of their job responsibilities. Any person violating this policy is subject to University discipline up to expulsion/termination and/or may be charged with the appropriate criminal offense.

4.13 Affirmative Action/Equal Opportunity
The University of Nebraska at Kearney is responsive to University issues which support a diverse work and academic environment. It is the policy of the University of Nebraska at Kearney not to discriminate based upon race, color, ethnicity, national origin, sex, pregnancy, sexual orientation, gender identity, religion, disability, age, genetic information, veteran status, marital status, and/or political affiliation. This policy is applicable to all University administered programs including educational programs, financial aid, admission policies and employment policies. UNK is an Affirmative Action Equal Opportunity employer. Veterans and persons with disabilities are encouraged to apply.

The University affirms a policy of equal educational and employment opportunities, affirmative action in employment and nondiscrimination in providing services to the public. University employees, students and others associated with the University who have not received the benefits of these policies, are encouraged to contact the Human Resources Director/ADA Coordinator.

4.14 Proprietary Information; Confidential Employee Information; HIPAA; FERPA
It is to be expected that the parties to the contract may find it necessary to reveal certain proprietary information to each other. The contract may, when proprietary information is exchanged, include certain provisions to mutually protect against the use and disclosure of the proprietary information of each party. In the unusual circumstance that the contract should result in the sharing of employee information protected by the law or University of Nebraska policy, information protected by the Health Insurance Portability and Accountability Act, information protected by the Family Educational Rights and Privacy Act of 1974, or any other information deemed confidential and protected by the law, the parties to the contract agree to maintain the confidentiality of such information to the extent and manner required by the law and University policy.
4.15 **Subcontractors**
The successful Bidder shall not subcontract all or substantially all of any facet of the Proposal without the prior written approval of UNK. The successful Bidder shall be fully responsible for the acts and omissions of its subcontractors and of the persons directly or indirectly employed by them. Every subcontractor shall be bound by the terms of any contract awarded under this RFP; provided however, that no contractual relationship shall exist between any subcontractor and UNK, unless it is evidenced in a separate contract independent of the contract with the successful Bidder.

4.16 **Legislative Funding Out Clause**
