The Davis–Chambers Scholarship recognizes academically promising students from diverse backgrounds who often find that the financial requirements of postsecondary education are a major obstacle. Qualified applicants should be graduates of a Nebraska High School and a resident of Nebraska.

The amount can equal the full cost of attendance. The typical award is between $2,000 and $4,000 a year. Each applicant is required to also file a Free Application for Federal Student Aid (FAFSA) as additional resources may be available to students with financial need. UNMC recipients receive awards between $500 and $2,000 a year.

Send a copy of this application to each campus (UNO, UNK, UNMC) at which you would like to be considered a candidate for the scholarship. UNL applicants must apply online at myred.unl.edu
