Did you lose your course menu in Blackboard? Do not panic, it is easy to fix.

**What is course menu?**
The Course Menu appears in a panel on the left side of your course window. It is the cornerstone of navigation through your modules. Typically it will contain links to course content, communication tools, module reading lists and module handbooks.

**Hide course menu**
Click on the gray bar to the right of the course menu to hide the course menu. This gives you more work area.
Display course menu
Click anywhere on the gray bar to the left of the Blackboard screen to show the course menu.
