Over time, the Search history in Firefox can grow quite large. You can clear items from the Search history.

**CLEAR ALL SEARCH ITEMS**

To clear all items:

1. Click on the menu button to the right of the navigation > *History*

2. Click on *Clear Recent History*.

3. In the dialog box that opens, choose *Everything* in the *Time range to clear* field and make sure that *Forms & Search History* has a check mark next to it.

4. Click the button to finish.
