Warner Hall
2504 9th Ave
Kearney, Nebraska 68849-1240

September 11, 2019

Invitation Number 20-02

ADDENDUM NO. 2
Request for Proposal #20-02
Exclusive Pouring Rights – Multi Year Contract
For
The University of Nebraska at Kearney

The following questions and corresponding responses and/or clarifications relate to the Request for Proposal #20-02 “Exclusive Pouring Rights – Multi Year Contract” for the University of Nebraska at Kearney, that is scheduled for public receipt on Tuesday, October 1, 2019 at 2:00 PM Local Time:

NOTE: THIS IS ADDENDA: 1 OF 1

The Bidder is to acknowledge receipt of this Addendum No. 2 on Proposal Cover Sheet in the Request For Proposal document in the space provided.

***Example from Proposal Cover Sheet: Receipt of Addenda – Numbered 1 through 2 acknowledged.**

All questions are regarding Appendix B – Product Volume

- 1. Vending Sales: In addition to the flavor, please provide the respective package for all vending sales so we have a better understanding of the vending package mix.**

Answer: See Addendum 2: Appendix H – Full Service Vending Sales by Brand/Pkg (7/1-6/30)
- 2. Fountain Sales: In addition to the package size (3G, 5G, etc.) please provide the brand for each item listed.**

Answer: See Addendum 2: Appendix I – Fountain Sales by Brand/Pkg (7/1-6/30)
- 3. Fountain Sales: Please clarify the volume listed. For instance, in 2018-2019, total sales of 3G BIB were 795. Is this listed as units (795 - 3G BIBs) or is it listed as 795 total gallons?**

Answer: All fountain reporting is in gallons. For example, 2018-2019 3 gal volume is 795 gallons NOT boxes/units.
- 4. Retail Volume: Can you help us understand the large volume discrepancy between the three consecutive years for the provided volume? There was a large jump in retail volume in 2017/2018 and then in 2018/2019 the product volume fell below the 2016/2017 cycle.**

Answer: In the spring semester of 2017, UNK worked with Chartwells to update the meal plan offerings. Fundamentally, the new plans significantly shifted spending power from the all-you-can-eat locations to the retail locations.

In 2018 UNK completed an upgrade to the food court in the Student Union. This included removing 3 smaller non-branded venues and adding a Starbucks and Chic-fil-A. During the transition, UNK opened what was called the Boost Market (a small c-store) to assist in covering the volume. The c-store was popular enough that Sodexo continues to operate it as ‘The Grid’.

Another possible reason for the change in sales is the Antelope Bookstore was closed from

October 2018 – May 2019. The bookstore has since been renovated and re-opened.

One last thought from our current provider is there may have been some products that haven't been purchased during the transition from Chartwells to Sodexo. Per the volume report, Sodexo has not purchased a few items through the end of this reporting time frame (20oz Aquafina, 20oz Gatorade to name a few).

5. **Retail Volume: In addition to the package size (12pk, 20oz, etc.), please provide the brand of each item listed.**

Answer: See Addendum 2: Appendix J – Retail/B&C sales (non-vend) by Brand/Package (7/1-6/30)

6. **Total Volume: Please help us understand the concessionaire relationship at UNK. How many locations/departments does each concessionaire serve (i.e. Sodexo and Chartwells)? More importantly, please provide a volume breakdown of concessionaire volume by package and flavor. Does UNK provide any self-op beverage service? If so, please define that volume by package and flavor.**

Answer: See Addendum 2: Appendix K – Retail sales by concessionaire (7/1/18 – 6/30/19). There are currently 3 active concessionaires' on campus. Locations include the following:

Sodexo/Chartwells - UNK transitioned from Chartwells to Sodexo May 21, 2019.

Sodexo operates the following locations:

Food Court – includes Subway, Starbucks, and Chic-fil-A

Market @ 27th St.

Louie's Diner

Java Notes

Runza - Health & Sports Center and Cope Stadium

Brewed Awakening – this is a student run coffee shop/catering service located in West Center. Beverage sales are minimal as the business does approximately \$23,000 in gross revenue for a calendar year.

UNK Welcome Desk – this is a self-op beverage service. Sales are also minimal. Union staff determined it was necessary to have something available to the public when The Grid is closed.

B&N Bookstore – no longer sales beverages as those are available at The Grid (c-store in the Student Union)

Addendum 2: Appendix H – Full Service Vending Sales by Brand/Pkg (7/1-6/30)
