This course conforms to the rules and regulations of the DMV and exceeds the criteria established for insurance discounts. Nebraska DMV regulations require that, “Students must attend all course presentations and pass all examinations.” Therefore any missed portions of class presentations, and unexcused absences, will result in a write off of the student’s grade and defer the enrollment at the Nebraska DMV facility. If the student is required to write off the class and defer the enrollment at the Nebraska DMV facility, the student must make up the missed portions of the course, for any reason, prior to the issuance of the DMV waiver. Make-up session(s) may include additional fees.

If the driver education student is under 18 years of age at the time the course is completed, passing the course with his/her current permit results in a waiver of the written and drive tests at the Nebraska Department of Motor Vehicles’ (DMV) Driving Examination Office. If the student is 18, or older, he/she will receive a certificate, but must still take the written and drive tests at the DMV office.

If the student requires disability accommodations please contact the Nebraska Safety Center prior to the beginning of the course. Special arrangements can be made to accommodate these needs.

Details regarding the required parent and student orientation meeting will be sent to you in a letter confirming the student’s enrollment in class.
