## Student Government Statement of Commitment

Holding any Student Government position is an honor as you have the opportunity to serve the Campus and the Students who have put their trust in you. It is with this distinction that we ask YOU to uphold the highest standards, work ethic, and ideals to the position you hold! As a representative group that is responsible to the Regents, Campus, and Students, Student Government should think well on, and provide their highest effort as noted in the following commitments:

1. Follow and uphold the Constitution of Student Government
2. Be an outstanding example in my actions and words while at Student Government active and away
3. Go above and beyond the basic required meeting nights and work any other days, times, and hours that are needed to perform as the trusted student Government member my peers have elected me to be.
