

### 2017-2018 Cohort: Academic Plan for Thompson Scholars Learning Community Courses

Please review the following academic plan for Thompson Scholars courses for 1<sup>st</sup>-year and 2<sup>nd</sup>-year students; **it is your responsibility to leave room in your academic schedule to take the required TSLC courses each semester according to your academic level.** Please **take this sheet with you each time you meet with your advisor** so that they know what TSLC courses will be offered each semester. Information on how each class fits in with the UNK General Studies Program is listed next to the course option **in blue**. **NOTE: This schedule is tentative and subject to change.**

Exemptions are only granted for unsolvable time conflicts with classes required in one's major or situations related to transfer &/or dual credit; **having fulfilled the minimum requirement in a particular GS category is not a reason to request an exemption.** A form to request a course exemption can be obtained from the TSLC website under the Special Request Forms link. If you have further questions, please contact any TSLC staff member for assistance.
