This policy grants approval authority and ensures proper display of the American flag, Nebraska State flag, University flag and other/Ceremonial flags on University Property and applies to all University sponsored flagpoles. University Property includes all UNK buildings, facilities, grounds, and spaces owned or controlled by the University. This policy and its procedures apply to all UNK students and employees, UNK academic and administrative units, and UNK recognized/affiliated organizations and their members, as well as non-affiliated external entities and individuals.

2. Public Law 94-344 shall govern the proper use of flags of the United States including when displayed with flags of other Nations or the State of Nebraska.
3. *Neb. Rev. Stat. §§ 90-102* shall govern proper use and display of the State of Nebraska flag.

UNKPD responsibility includes purchasing, raising, lowering, disposing and replacing flags.

6. UNK's Director of Facilities Management and Planning (DFMP) has authority for constructing/maintaining all other University approved flagpoles and flags. DFMP will ensure flags are displayed consistent with this policy and flown based on the example of UNKPD. DFMP responsibilities include maintaining all such poles, lighting, etc. (See also Policy Section 8 for responsibilities of University groups.)
7. The University Flag may be lowered (see Procedures section 4) to half-staff:

Ceremonial flags will be: (a) governed by the Policy on Posting Materials on University Property, (b) displayed below the University flag, and (c) displayed in proper position relative to the flags of the United States, State or Nebraska, or other Nations. In all such instances, responsibility for raising, lowering and replacing of flags is the responsibility of university group gaining approval for other University-approved flagpoles.
