Scope

This policy applies to all employees, students, and visitors of the University of Nebraska at Kearney.

Policy Statement

This policy will provide guidelines and procedures for pet therapy programs on the UNK campus.

Reason for Policy

The University strives to provide a safe environment for students, faculty, staff, and campus visitors while also promoting events that not only assist with stress and anxiety but add to the overall campus experience. A pet therapy program is one example of these beneficial events. This policy will provide guidelines in order to safely conduct and mitigate the risk associated with these programs. 
Procedures

Pet Therapy Program

- All pet therapy programs must be in collaboration with a pet therapy organization which is recognized and has contracted with the UNK.
- A pet therapy program event must be sponsored by a UNK department.
- The UNK department sponsoring the event is responsible for any costs related to the event and any damage caused by any UNK employees, students, and visitors of the pet therapy program event.
- The UNK department sponsoring the event must assign a Representative to be present during the entire pet therapy program event to monitor, ensure all applicable policies and guidelines are followed, make certain any Therapy Pet excrement has been cleaned and the area disinfected, and to clean and remove any hair as a result of the Therapy Pets shedding.
- The Representative is responsible for immediately contacting UNK Police for assistance, to report an injury to a UNK employee, student, volunteer, or visitor, or to report any damage to UNK property during a pet therapy program event.
- All pet therapy program events must be clearly marked and provide adequate notification to individuals passing by to ensure their own health and safety.

Therapy Pet Criteria

- All Therapy Pets must be officially registered and certified with a pet therapy organization which is recognized by and has contracted with the University of Nebraska at Kearney.
- Each Therapy Pet must be up-to-date on their respective vaccinations and have a completed Certificate of Vaccinations form.
- Therapy Pets must be on leashes and under the control of their Handler the entire time they are on UNK property and/or at the event location.
- Authorized Therapy Pets are limited to dogs and cats.
- Therapy Pets must be at least one year of age.
- Therapy Pets must be well-groomed (including trimmed, filed toenails and clean teeth) and cleaned prior to each event which shall include proper bathing and/or being wiped with a wet washcloth to remove dander and saliva from the Therapy Pet’s coat.
- A UNK employee or student’s personal pet is not classified as a Therapy Pet unless the individual and their pet are officially registered and certified with a pet therapy organization, which is recognized by and has contracted with UNK.

Handler Criteria

- Handlers must be a member of a pet therapy organization which is recognized by and has contracted with UNK and must agree to follow all applicable UNK
policies including the terms and conditions contained in the pet therapy organization’s contract with UNK.

- Handlers must be clean, well-groomed, and without the influence of alcohol and drugs while participating in a pet therapy program event.
- Each Handler may handle only one (1) Therapy Pet at a time while participating in a pet therapy program event.
- Handlers must transport Therapy Pets in a pet carrier or kept on a four (4) foot or shorter leash at all times when on UNK property and/or at the event location.
- Handlers must accept full responsibility for the pet therapy program animals including but not limited to proper disposal of excreta (i.e. double bagged and placed in a waste container outside the building or transported off UNK property), cleaning and removal of hair as a result of Therapy Pets shedding, and up-to-date and accurate information their Therapy Pet’s Certificate of Vaccinations form.

Pre-Event Requirements

- Prior to each pet therapy program event, the sponsoring department must ensure with Business Services that the respective pet therapy organization has contracted with the University and has provided all necessary documentation including an approved certificate of insurance and an executed contract.
- At least ten (10) days prior to the potential pet therapy program event and after receiving all required contractual documents, the sponsoring department shall schedule the event in accordance with the “Use of University Property Policy.”
- Prior to each pet therapy program event, the sponsoring department must provide the following to UNK Police:
  - Date and time of the event;
  - Location of the event;
  - Agreement reference number for the applicable pet therapy organization;
  - Certificates of Vaccination for each Therapy Pet that will be present at the event; and
  - Verification of all Handlers as members of the respective pet therapy organization.

Exclusions

This policy shall not apply to service animals or emotional support animals as defined under the Americans with Disabilities Act, the Fair Housing Act, and any other applicable federal or state law. Employees or students seeking to have service animals or emotional support animals on campus should contact the UNK Compliance Office.

Definitions

**Certificate of Vaccinations** – a form provided by UNK to Handlers for their completion which provide proof of updated vaccinations for each Therapy Pet
**Handler** – the individual responsible for a Therapy Pet at the pet therapy program event

**Representatives** – a UNK employee that serves as the designated individual for a sponsoring department during a pet therapy program event

**Therapy Pet** – animals that are allowed to be a part of UNK-sponsored, pet therapy programs on UNK property or other designated locations; this shall not include service animals or emotional support animals as defined under the Americans with Disabilities Act, the Fair Housing Act, and any other applicable federal or state law
