Students who are 21 years of age or older, are authorized to drive larger vehicles including trucks and large SUV’s. All other Students are only
authorized to rent/drive Economy through Full Size cars, Minivans and up to Standard SUVs.

Student Stipend

Requests for cash to be given to students on a per diem basis while traveling on a University Recognized Program should include a description of the stipend purpose, as
well as a list of recipients with their signature. These cash stipend requests are processed through the Student Accounts/Finance office.

**Alcohol**

Alcohol, and its associated tips and taxes, will not be paid for by the University and is not a reimbursable expense.

**Travel Expense Deadline**

Employees reimbursement expense claims for student expenses not using the group travel card must be submitted and approved by the Traveler’s Financial Approver(s) through the University expense management tool no later than sixty (60) calendar days after the final day on which expenses were incurred. This State of Nebraska statutory requirement cannot be waived. Reimbursement expense claims submitted and approved past this deadline will not be paid for or reimbursed by the University Funds or University - Managed funds.

Student reimbursement expense claims must be submitted and approved by the Traveler’s Financial Approver(s) in a timely manner especially at the end of the fiscal year.

**Receipts**

Employees submitting receipts using group travel cards must follow the policies set in the Group Travel Card Policy, [https://nebraska.edu/docs/purchasing/grouptravelcard.pdf](https://nebraska.edu/docs/purchasing/grouptravelcard.pdf). Travelers must provide all required receipts that are detailed and itemized for all University business-related travel expenses. Detailed and itemized receipts must include:

- the item(s) purchased;
- the name of the business where the transaction took place;
- the transaction date/time;
- the amount of the transaction; and
- proof of payment.

Expense estimates are not acceptable. If a receipt includes expenses for multiple Travelers, the single Traveler seeking reimbursement should reference the other Travelers on the expense submittal. If multiple Travelers are seeking reimbursement from a single receipt, which includes the expenses of multiple Travelers, a copy of the itemized receipt and proof of the individual Traveler’s payment must be provided with each Traveler’s expense submittal and include a cross reference to the other Travelers involved. The Traveler should make every effort to obtain and submit all detailed travel expense receipts when available. Failure to submit required receipts may result in the University not paying for or reimbursing the Traveler for the related expenses in accordance with Nebraska state requirements.

Payment Services should be consulted to review any alternative documentation that may be used when a detailed and itemized receipt is not able to be provided. In the absence of a detailed receipt(s), a receipt substitution may be made. With a signed written explanation, this substitution may include a copy of a cancelled check, charge card receipt or subsequently acquired receipt. If a receipt (or its stated substitute), has been lost, is not available or impossible to obtain, an Affidavit may be acceptable. Affidavits
will mainly be accepted for International Travel and in very rare cases for Domestic Travel. For all detailed receipt substitutions and Affidavits, the name and location of the business where the transaction took place, the transaction date, the purpose for the expense and the amount of the transaction must be provided. These receipt substitutions and Affidavits can only apply to the following expense types, which can be found in APPENDIX A: Copy Charges, Educational Supplies, Fuel/Gas, Laundry/Dry Cleaning (International and Team/Group Travel only), Meals and Taxi/Shuttle/Train/Bus.

If receipts are listed in any language other than English, the business name, location, date, and individual items must be translated by the Traveler. Associated prices can be converted through the expense management tool or directly from the website (https://www1.oanda.com/currency/_converter/) to the U.S dollar equivalency on the day of the transaction.

Please refer to Travel Policy TO-01 for additional information regarding receipts that apply with student travel (https://nebraska.edu/-/media/unca/docs/offices-and-policies/policies/policies/university-of-nebraska-travel-policy.pdf).
