Evidence of Need (provide a statement below or attach documentation) The program is an important option within General Studies. The opportunity to offer a major has allowed the program to expand the offerings for the students interested in pursuing the discipline further.

Justification if the program is below CCPE thresholds (provide a statement below or attach documentation) Because the major is less than five years old, there is not sufficient data for a 5-year average. Most recent information indicates the program will be near the threshold in the near future.
