*(Attach project description/academic plan and current curriculum vitae to this form.)*

A Faculty Development Fellowship should be a specific, well-focussed project to improve the disciplinary, scholarly, and teaching capability of the applicant.

DEPARTMENTAL AND PROFESSIONAL CONTEXT: What do I plan to do (where, with whom, qualifications of the proposed site and collaborators, current state of

related work, relationship of applicant qualifications and need to the proposed site, progress anticipated and timetable for completion, relation of the project to long-range professional objectives)?

ANTICIPATED SCHOLARLY PRODUCTS: What specific scholarly outcomes do I expect from the proposed fellowship?

BENEFITS OF THE LEAVE: How will the development envisioned improve my faculty contributions in the future at UNK?

I promise, if granted this fellowship to continue to serve this institution following the expiration of the fellowship for one year or repay the University for all pay received during the leave of absence, unless waived by the Board or its designee. I likewise agree to submit to the Chair of the Department, Dean of the College, and to the Senior Vice Chancellor for Academic & Student Affairs a report, in writing, immediately upon my return to the University outlining work accomplished during the period of fellowship.
