 NEW VENTURE ADVENTURE

"Even the smallest ideas can make a huge difference."

NVA STUDENT PARTICIPANT

Create a business, negotiate a lease, design business cards, and more at the 14th annual New Venture Adventure, hosted by UNK's Enactus student business organization. NVA is a day for high school students to learn about the hard work and excitement of becoming an entrepreneur. Students work together in groups along with a UNK Enactus student to create a business of their choice, collaborate on ideas, and meet with local business professionals. At the end of the workshop, groups present their business concepts to a panel of judges, answer questions, and receive feedback. Win awesome prizes! Students will also have the optional opportunity to tour UNK's campus.
