

**The University of Nebraska Kearney College of Education**  
**Policies and Procedures Relating to Advanced Program Field Experiences**  
(in compliance with Rule 20-006 Advanced Program Field Experiences)

All advanced certification programs share require field experiences.

All clinical practice shall be conducted in a Nebraska school system, or in an approved, accredited or otherwise legally operated school in another state or an English-speaking school in another country where teachers and administrators in the school are required by law or regulation to be certificated by the state or nation's educational authority.

The department chair (or designated coordinator) of each advanced program shall engage with school partners on a regular and ongoing basis to develop and communicate the roles and responsibilities of candidates, college supervisors, cooperating educators, and other school personnel; to provide opportunities for school partners to provide input to the program regarding candidate placements, candidate performance, and program improvement; and to develop the skills of faculty and school-based educators to work collaboratively to enhance candidate development.

All persons involved in the field experience of an advanced program shall adhere to the Standards for Professional Practices Criteria ([92 NAC 27](#)).
