

The UNK-CSP Rural NE Behavioral Health Services AmeriCorps program increases access to behavioral healthcare services in rural areas of Nebraska. In conjunction with BHECN, the program places graduate level counselors-in-training into rural Nebraska healthcare settings to provide behavioral health services. AmeriCorps members serve in many behavioral health host sites across Nebraska where the need for behavioral healthcare is great. Members also use Screening, Brief Intervention, and Referral to Treatment (SBIRT) processes to address the growing need for substance abuse awareness. **For more information or to serve, please contact Dr. Tina Chasek at 308-865-8361 or chasekc1@unk.edu**

AmeriCorps

AmeriCorps is a program of the Corporation for National and Community Service (CNCS), the federal agency for volunteering, service, and civic engagement. CNCS engages millions of Americans in citizen service through its AmeriCorps and SeniorCorps programs and leads the nation's volunteer and service efforts.
