

Distance Education students can request a non-picture Distance Education UNK ID Card through eCampus. A \$10 fee will be assessed per card. This card can be used as a second form of identification. The eCampus office will authorize the issuance of the card. If you are interested in getting a Distance Education UNK ID card, please contact Heather by e-mail at rhineharthj@unk.edu to have a form sent to you. Once completed, you need to mail the form to the Finance Office with your \$10 payment. After the payment has been processed, the card will then be mailed to you.
