

Senior Student Request to Register for Graduate Credit

A Senior Student pursuing graduate course work while completing an undergraduate degree is considered an undergraduate student. Seniors at an accredited institution who have obtained in advance the approval of the Dean for Graduate Studies may receive up to 12 hours of credit for graduate courses taken at any campus of the University of Nebraska System in addition to the courses necessary to complete their undergraduate work, provided that such credits are earned within the 12 months prior to receipt of the baccalaureate. Enrollment must be approved by the Dean of Graduate Studies, the instructor or department chair, and the student's advisor.

Graduate courses may NOT be taken to complete the requirements for the bachelor's degree.
