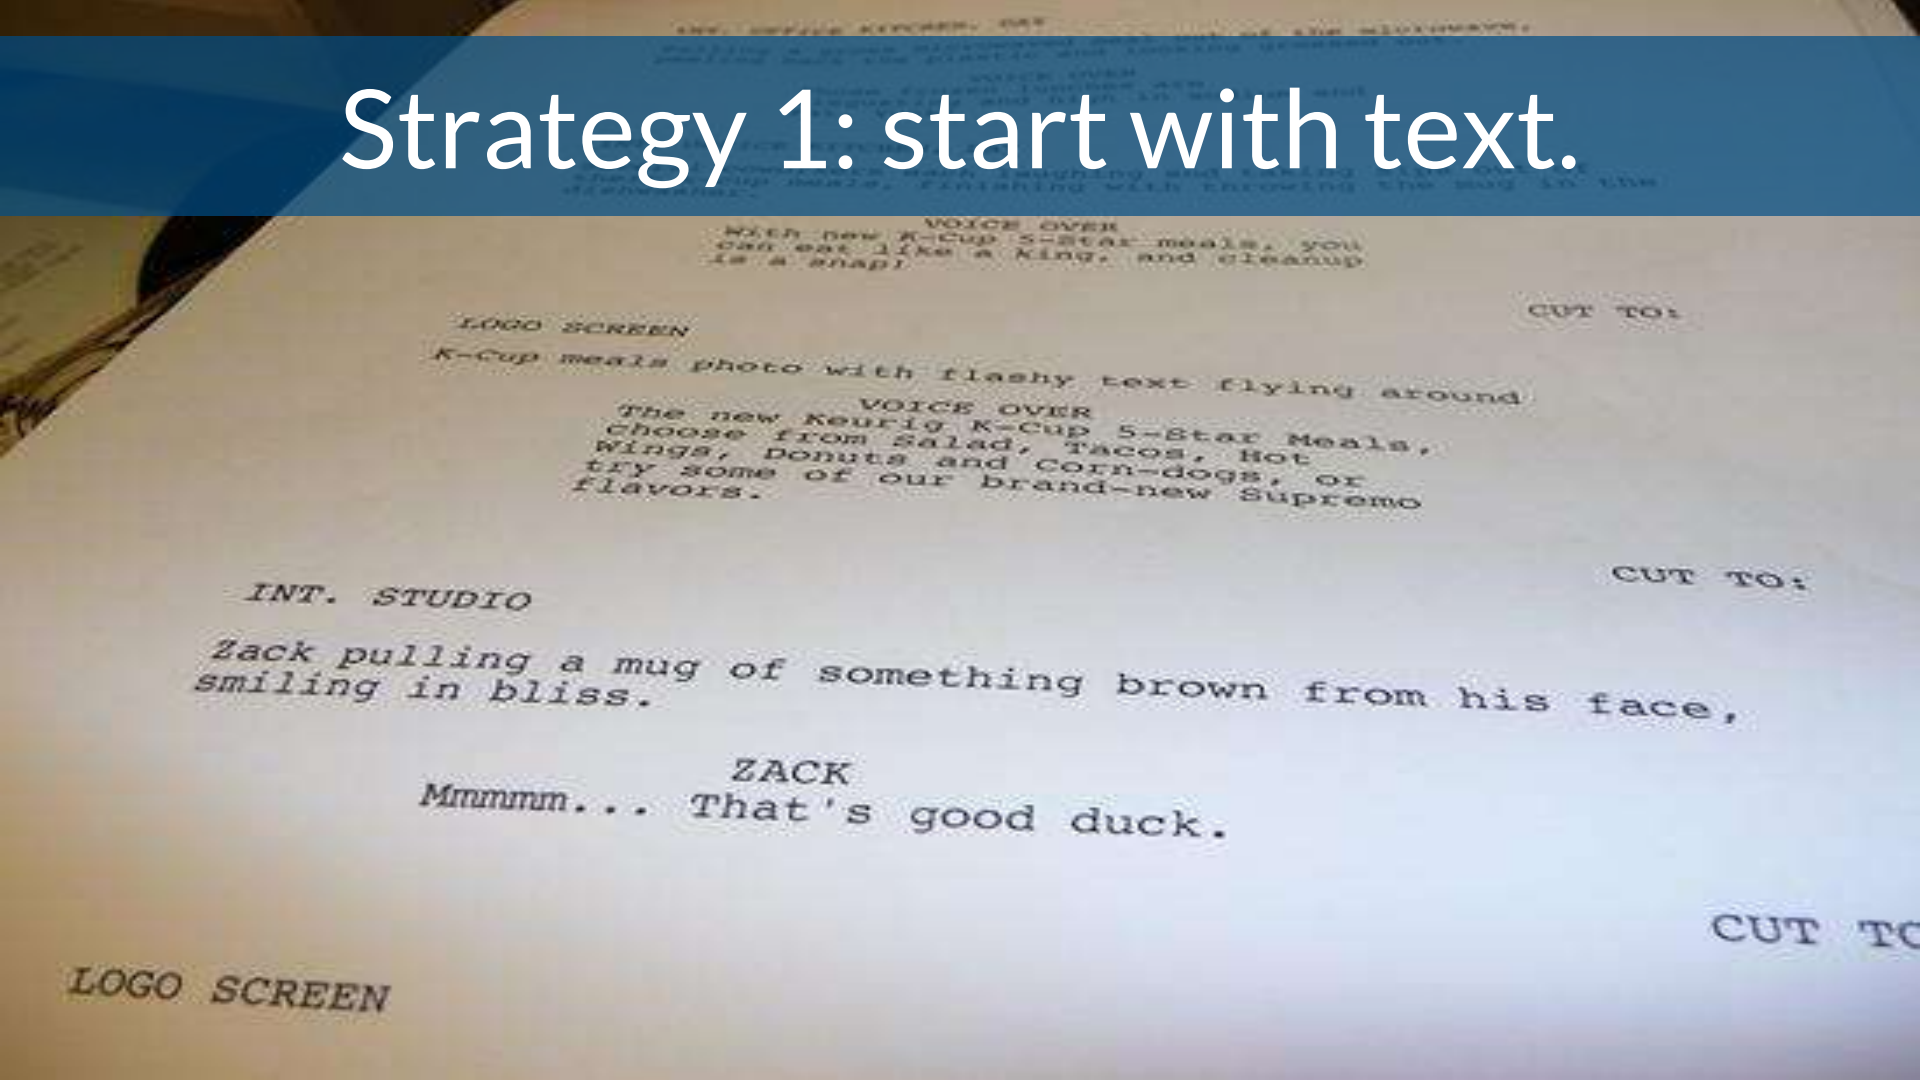
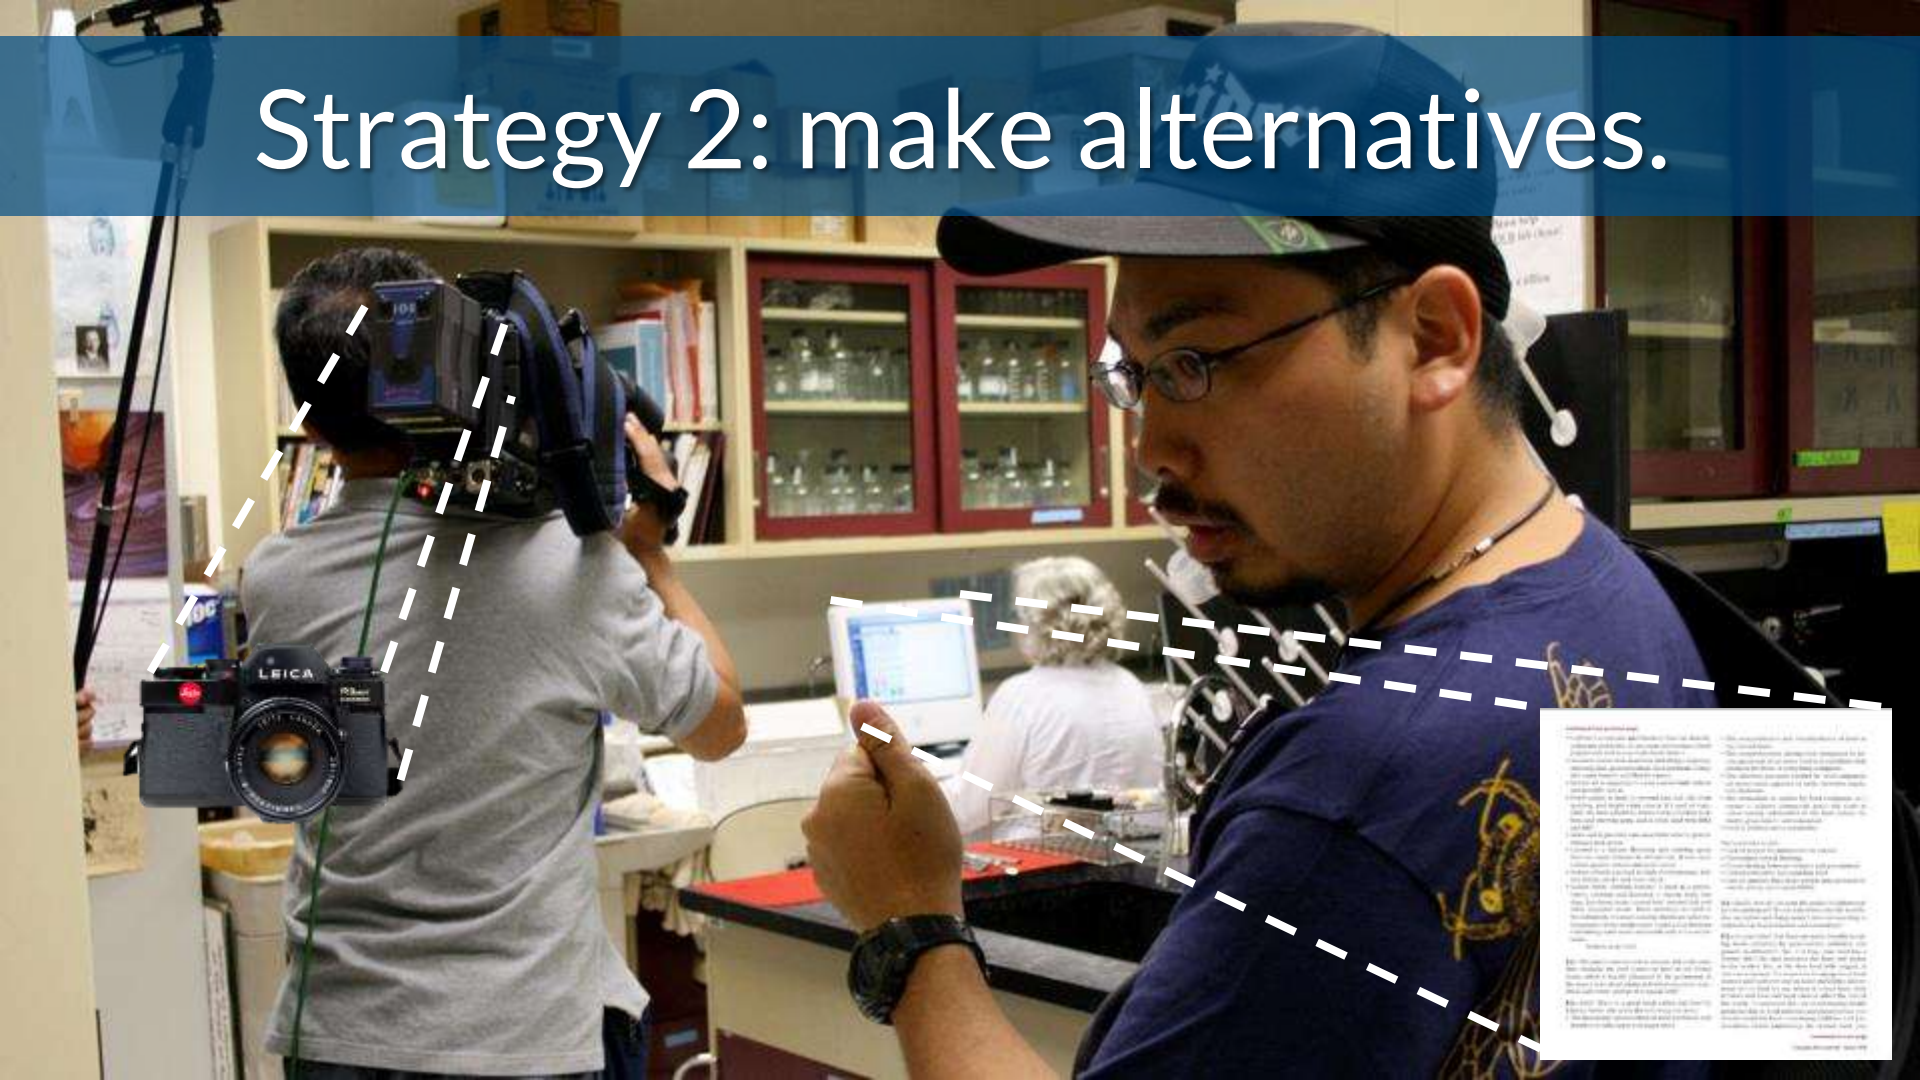
Five strategies for UDL

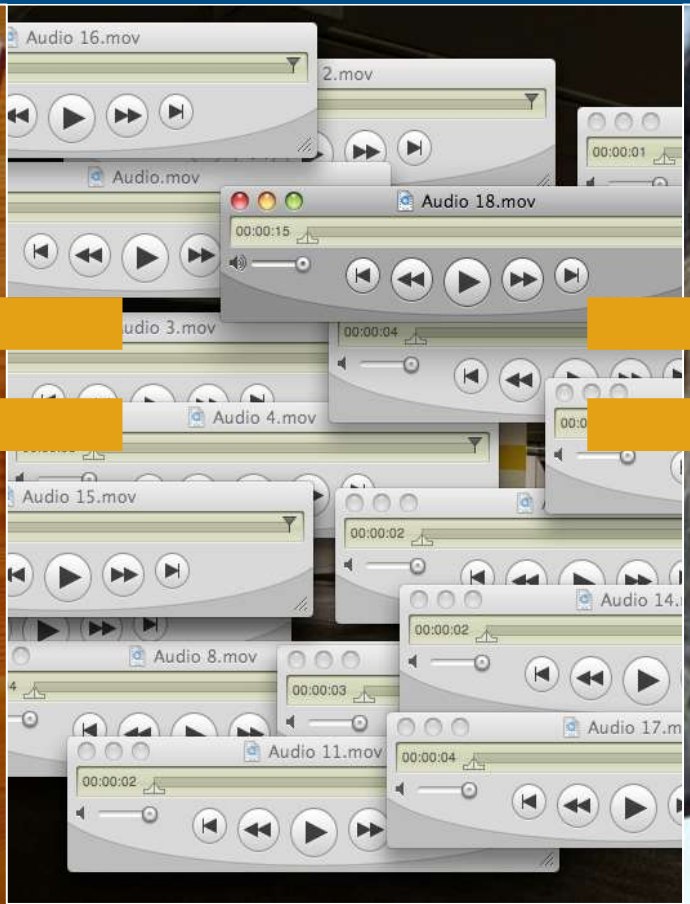
# Strategy 1: start with text.



# Strategy 2: make alternatives.



# Strategy 3: let ‘em do it their way.



# Strategy 4: go step by step.

Watch an Intro Video (3 mins)

Read Case Study

Post Case Study Response

Read Scholarly Article

Watch Prof Video #2 (5 mins)

Internet Scavenger Hunt

Update Discussion Response

Watch Prof Video #3 (4 mins)

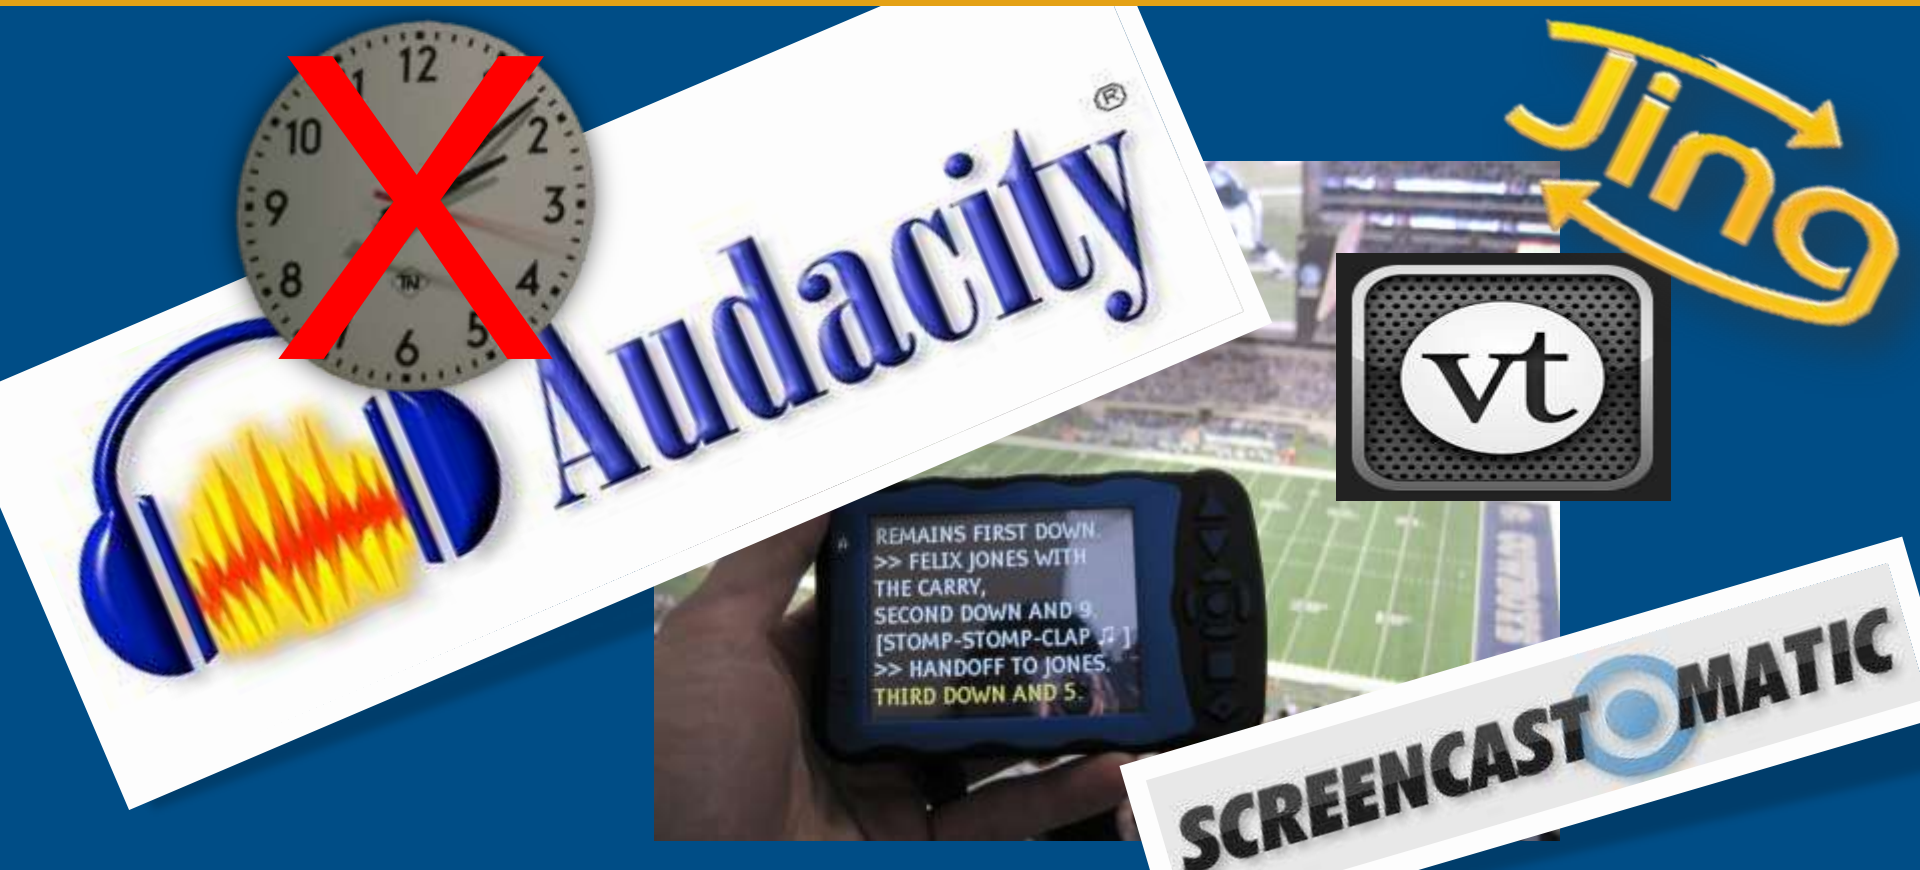
Watch Prof Video #4 (10 mins)

Ungraded Knowledge Check

Watch Final Video (5 mins)

Create Project / Paper

# Strategy 5: set content free.



1. Start new design processes with **text**.
2. Create **alternatives** for all multimedia.
3. Design alternate ways for learners to **demonstrate** each course objective.
4. Break tasks into separate **components**.
5. Expand, document, and **share interactions** using free-access methods.
