What supports
do you offer
that learners
don't seem to
know about?

A man with long white hair and a beard is speaking into a microphone on a soapbox. He is wearing a dark t-shirt with "SIX VALLEY TWELVE" printed on it. To his left is a large black speaker on a stand. To his right is a sign that reads "Soapbox 4" and "Open Mic" with the instruction "step up - one at a time". In the background, there are trees and a crowd of people sitting on folding chairs. The scene is outdoors on a grassy area.

Secret, Sneaky Evangelists

A Beautiful Problem

How many students are under-prepared for your services?

A Beautiful Problem

How often do you have to turn students away from interactions?

A Beautiful Problem

What % of learners own smartphones?
