Total Credit Hours= 120(123)

2013 - 2014 Catalog

Selected courses are offered during the Summer Session. In order to reduce your load during the school year we recommend that you take a course each summer. This will allow time during your senior year for interviewing. It is recommended you take ITEC 475, Internship, during the summer after your Junior year. It can also be taken upon completion of all your course work.

KEY:

Revised: 5/13

Suggested Sequence

Course No.	Course Name
	Credits

Mandatory Sequence

F= Course offered in Fall semester
U=Course offered in Summer semester
S= Course offered in Spring semester
