Job Site Superintendent

Central Nebraska

Position requires thorough knowledge of construction processes and offers the opportunity to travel during the week as well as opportunity to advance in the company. Pay will be competitive, ranging between $20-28/hour and based on skill and experience. The position will require 40-50 hours a week, Monday through Friday from 7 a.m. to 5-6 p.m. and will concentrate on three main roles: Plan, organize, and direct scheduling of project materials and installation. Positively influence and motivate all members of the building process to achieve project goals. Professionally communicate construction progress with project owners, suppliers, and subcontractors. The ideal candidate will have the following qualities: Understand the building process from start to finish. Schedule daily tasks and materials needed on the job site. Be detail oriented, organized and systematic. Possess strong communication skills, both verbal and written. Provide vision, direction and communication for all individuals involved in the project. Actively pursue learning and seek self-improvement personally and professionally. Utilize smartphone apps and computer programs for specific job applications and project logging.

To apply, send a brief 1) cover letter that states your interest in our company, overview of expertise, something interesting about you and 2) your resume that includes: contact information, work experience, professional skills, technology skills, education, community engagement (volunteerism etc) and references to Jeana@hackelconstructioninc.com or mail/drop off at our office at 314 S. 14th Street in Ord, NE 68862. Applications will be reviewed starting immediately with a rolling application process.
