Degree & Program

This form is used for UNK substitutions, to approve transfer coursework and also to define electives or place courses into specific requirements in your program. Please note: No more than 9 credit hours can be transferred from institutions outside of the University system. Transfer credits outside of the NU system must be graded with a B or better. Official transcripts are required to accept transfer work. Please submit this form to your advisor.

Choose if you are adding a course, deleting a course or adding an elective. Use drop down menu for NU choices or type in outside University.
