

University of Nebraska-Kearney
Department of Biology
Program of Study

This form must be submitted to msbiology@unk.edu before completion of no more than 12 hrs

Name:

Student ID #:

Anticipated Graduation Date:

In the table below list a detailed program showing the proposed courses of study for the Master's Degree. In the Term column list the semester you anticipate completing the course. Terms can be abbreviated as follows: F= Fall semester, U=Summer semester, and S=Spring semester (i.e. a course planned for Fall 2024 can be listed as F24). If you've already completed a course please enter the grade received in the Term column.
