

**UNK Water Rocket Competition  
TEAM REGISTRATION FORM  
2024-2025 Academic Year  
Sponsor: Royal Engineered Composites**

**Team Name:** \_\_\_\_\_

**Team Motto:** \_\_\_\_\_

**Team Mascot:** \_\_\_\_\_

*\*you can request to change your team name, motto, and mascot at a later date – we reserve the right to reject unsportsmanlike names, mottos and mascots (and/or assign a new one in their place if a new designation is not chosen in a timely manner)*

**Team Members (3 maximum, must be UNK students):**

<b>1) Name</b> _____	<b>UNK Email</b> _____
<b>2) Name</b> _____	<b>UNK Email</b> _____
<b>3) Name</b> _____	<b>UNK Email</b> _____

Note: while you can compete with fewer than three team members, there is a limit of three members per team. Individuals can only compete on one team at a time, and cannot register to compete as part as multiple teams. If a student wishes to withdraw from their team, they must notify their team members and Brandon Marshall.

**Competition limit: we have a limit of eight teams, which will be registered on a first-come first-serve basis.**

\_\_\_ **WAITLIST.** Check here if – in the case your registration is received after the initial eight teams have secured their spots in the competition – you would like your team to be put on a waitlist should a team drop out (in a timely manner).

**Important:** if this box is checked, you will be automatically considered for one of the eight open spots in the competition. Your team will *only* be waitlisted if those first eight spots are full.

**CONDUCT**

We agree that it is our own responsibility to pick up the rocket kits in a timely manner, to coordinate with each other to build the rocket in our own time, to participate with the engineer from Royal Engineered who we are “paired” with who will provide building advice, and to behave in a manner that involves good sportsmanship and conduct as part of this competition. We know that poor sportsmanship can result in disqualification. Finally – if we win – we agree to split the prizes equally (and pick those up in a timely manner, too!). Rocket launch stands must be returned before prizes are awarded, and for teams to remain in good standing for future competitions. ☺

I agree (all team members must sign before submitting form):
