To prepare for UNK, complete these next steps. Contact offices mentioned with any questions. All other questions, contact the Office of Admissions at admissions@unk.edu or 308-865-8526.

SET UP MYBLUE | DO NOW
Your MyBLUE account is an important tool as a student; it’s available immediately following your application for admission.
- Go to myblue.nebraska.edu. Log in requires the 8-digit NUID# you received upon application and the password you set up in TrueYou.
- Go to trueyou.nebraska.edu to claim your identity, enroll in two-factor authentication, and create your password.
- Check MyBLUE for any items in your “My To Do’s” list.
- Questions? Contact the UNK Help Desk at 308-865-8363 or email support@nebraska.edu.

CONFIRM YOUR INTENT | WHEN YOU DECIDE TELL US
- When you decide where you are going to college, let us know. In MyBLUE, confirm your intent to enroll or decline your admission offer.
- If you’re still deciding or waiting on financial aid awards, that’s okay. Contact Admissions with questions.

SUBMIT TRANSCRIPTS & SCORES
- A final transcript reflecting high school GPA is required after graduation. Ask your high school to send official transcripts to UNK Admissions.
- If you earned any college credits while in high school through dual credit, early entry, or community college courses, your institutions must send us official college transcripts.
- Submit your test scores if you didn’t at the time of testing. UNK’s school codes: ACT – 2468, SAT – 6467.

MAXIMIZE FINANCIAL AID | DO ASAP
Pursue as many types of funding as possible to help offset the investment of college. Questions? Contact Financial Aid at 308-865-8520 or finaid1@unk.edu.

FAFSA IS IMPORTANT
The FAFSA (Free Application for Federal Student Aid) provides grants (money you don’t repay) and eligibility for loans and work study. Visit FAFSA.gov and unk.edu/finaid.
- FAFSA opens October 1 at FAFSA.gov. Submit the 2023-2024 FAFSA as soon as possible. UNK’s school code: 002551.

NEBRASKA PROMISE
Nebraska residents may receive FULL-TUITION COVERAGE if they are a full-time student (12+ credit hours) and family Adjusted Gross Income is $65,000 or less or you qualify for a Pell Grant. Visit unk.edu/NP.
- You must complete the FAFSA by June 1, 2023. No other application is needed. UNK’s school code: 002551.

SCHOLARSHIPS
Some scholarships are based on your application for admission while others require a separate application. ACT/SAT scores are recommended for some scholarship eligibility.
- Visit unk.edu/scholarships. Deadlines, award amounts, and how to apply are listed with each scholarship.
- For merit award consideration, e.g., Regents, Distinguished Scholar, Loper, etc., students must submit their transcripts.
- Non-residents, remember you automatically receive the New Nebraskan Scholarship so you pay in-state tuition!

WATCH FOR:
- Email and mail reminders for scholarships, FAFSA, and Nebraska Promise
- Award Letters if you submitted the FAFSA or filed for financial aid (will be sent beginning in December)
