## CAMP BENEFITS

- An exciting day of learning about health sciences and careers in healthcare.
- You will learn about topics and issues relating to:
  - healthcare
  - wellness
  - anatomy
  - mental and behavioral health
  - physiology
  - other health-related topics
- Experience hands-on activities, engage in simulations and case studies, and participate in interactive sessions all designed to increase your awareness of healthcare professions.
- Hear from healthcare professionals in a variety of fields and learn more about Health Sciences at UNK.
- Get information about Kearney Health Opportunities Program (KHOP) and the Health Science Scholars Community.

**Maximum 24 per camp — lunch and t-shirt included.**

**\$25 for UNK Camps** | For more information, contact Sara Bruner at 308-865-8144 or email [bruners@unk.edu](mailto:bruners@unk.edu).
