

ELI | ENGLISH LANGUAGE INSTITUTE

Helping students learn and advance their English language skills.

WHO IS IT FOR?

- Degree-seeking UNK students (usually International students or domestic students who use English as a second language)
- Those interested in one or two semesters of language study
- Community members needing to improve English skills for work and other everyday needs.

ABOUT THE CURRICULUM

ELI courses are designed for a fast-paced, immersive schedule of 18 class hours per week. Students will see quick results in their language skills.

Course levels:

100, 200, 300, 400 and 500 (each level features the following courses):

- Conversation
- Writing
- Listen and speak
- Reading
- Grammar
- Vocabulary

ADVANCING YOUR EDUCATION AT UNK

After successfully completing the English Language Institute and meeting the requirements for admission, you can be submitted as a full-time UNK student at either the undergraduate or graduate level.

WHAT MAKES UNK AN EXCELLENT AMERICAN UNIVERSITY EXPERIENCE?

We are committed to providing high-quality education in a small and personal setting. Featuring 6,300 students from around the World, UNK remains a close-knit, supportive community. A place that feels like home for so many.

- Most affordable university in Nebraska
- TOEFL will help determine the appropriate level of study for each individual
- Student-centered, regional hub of intellectual, cultural and artistic excellence
- Enjoy smaller classes with an average of 13 students per class.
- Access to the same opportunities as many larger universities
- One-on-one attention and mentoring from nationally-renowned faculty
- Rich and diverse campus life
- Outstanding place to learn English: experience traditional American culture while learning standard English used by national media and television

ADDITIONAL RESOURCES AT UNK

All ELI students have full use of facilities including the UNK library, computer centers, counseling and health services, recreation, career services, student union, and cafeterias.

HOUSING | unk.edu/housing

- 2,000 students live on campus
- 8 resident halls
- 2 apartment-style complexes (for upper-classmen)
- Hall directors living on site
- Lounges, study areas, computer labs and recreational space

AVIATION ENGLISH

The ELI uses an industry recognized Aviation English course for students wishing to enroll in the Bachelor of Science in Aviation Systems Management. This course, titled Foundation, is specifically designed to prepare student pilots for flight training.

CONVERSATIONS PARTNERS

Get paired with an American student for casual conversation. Share cultures, create friendships and explore the community throughout the semester.

ENGLISH CONVERSATION TABLE

Sit and chat with a table of individuals to build confidence in your language skills and introduce yourself to people from across campus.

INTERNATIONAL FRIENDSHIP PROGRAM

Get paired with a friendly American host family that will help you learn more about the culture through dinner conversation, local activities, and more.

The application procedure is described on the following website: unk.edu/eli/apply
