WELCOME

The University of Nebraska at Kearney is pleased to make facilities available to responsible groups and organizations, whenever in the judgment of the University, such use will not interfere with the academic mission of the University or provide undue risk to personnel or property. When such arrangements are made, the group shall make known its sole sponsorship of the program. By reserving the facility(ies), the group shall enter into an agreement to hold the University of Nebraska at Kearney, the University of Nebraska Board of Regents, and any agents, representatives, or employees of any of these bodies, free of any liabilities incurred in connection with use of the facility(ies). By reserving a facility, the group shall also bind itself to indemnify the University of Nebraska at Kearney for any property damages other than normal wear.

PLAN AHEAD

All groups are encouraged to complete a Facility Reservation Request at least one month in advance. Specific details for audio-visual equipment, food service, and room arrangements must be submitted at least three weeks in advance. The University reserves the right to substitute facilities and/or cancel arrangements at its discretion and to give preference to academic programs of the University, recognized student organizations, and other events sponsored by the University. The University further reserves the right to review, specify, and restrict any advertising, sales transactions, or product distribution.

FACILITY FEES

A facility fee will be assessed to all groups whose primary purpose and reason for existence is anything other than serving the constituency of the University of Nebraska at Kearney. The fee may be waived, if in the judgment of the University, the program or event will benefit the academic mission of the University. Electronic Check Re-presentment Policy – In the event that your check is returned unpaid for insufficient or uncollected funds, we may re-present your check electronically. In the ordinary course of business, your check will not be provided to you with your bank statement, but a copy can be retrieved by contacting your financial institution.

INSURANCE

All non-university groups (groups which are not directly funded and governed by the university) must provide a certificate of liability insurance naming the Board of Regents of the University of Nebraska as "an additional named insured" for the duration of the event. The certificate of insurance is required whether or not a rental fee is assessed. In its sole discretion, the University may waive any or all of the certificate of insurance requirement.

LIABILITY AND RISK MANAGEMENT

University departments and recognized organizations sponsoring an on-campus student organization event, dance or concert shall be held liable for damages. The presiding officer and the advisor of a student organization sponsoring an on-campus event, dance and/or concert are required to be in attendance during the entire time of the event, and are financially responsible for any damage to, or theft of University property. Alcohol and/or drug use is strictly prohibited. If evidence of alcohol or drug use is linked to the event, the organization will not be permitted to schedule future events. On-campus events will conclude by 11:00 pm, and may be asked to conclude earlier should noise violate City of Kearney code or campus Residence Hall quiet hours, or if there are general complaints from the campus community or surrounding city neighborhoods. The sponsoring organization will pay for any damage and additional charges that occur whether or not a member of the department or organization caused the damage. Student activities are subject to University guidelines, supervision and conduct. Event organizers are responsible for the safety and well-being of their attendees. As such organizers need to prepare for emergency events, review the universities emergency procedures and complete the event preparedness checklist prior to the event.

COVID-19 DIRECTED HEALTH MEASURES

All individuals and groups from both on and off campus shall adhere to the current UNK Directed Health Measures (DHMs) in place. DHMs are subject to change as Covid-19 conditions evolve. UNK DHMs may differ from local and state DHMs. DHMs will include guidance on attendance limits, wearing of masks, and social distancing. Facilities reserves the right to alter your reservation to be in compliance with current DHMs as conditions warrant. Please check with the Facilities Events and Reservations Coordinator for what current DHMs are in place.

SECURITY

The UNK Police and Parking Services will review all events on campus and access the need for security. As the standard, a minimum of one officer for every 250 individuals in attendance is required. The Director has the discretion to alter this ratio based on the event, the environment and current issues. All costs incurred to supply such an event, security will be charged to the individual, group or organization holding such event. In certain situations Police Services may outsource and T-shirt security may be used. Individuals, groups or organizations wishing to have security to guard items above what is supplied by the on duty officer patrolling will need to make a request to the Director of Police Services. The individual, group or organization will be responsible for the cost of the officers’ wage. On campus emergencies should be directed to UNK Police Services by calling 911 or 308-627-4811.
