## Reminder

When the Non-Resident Scholarship is based upon self-reported information on the application for admission, the University reserves the right to cancel or reduce this scholarship after verifying your sixth semester academic information once official documents are submitted.

## Conditions of the Scholarship

- Must begin within one year after high school graduation or upon transferring from another institution of higher education. If you will not enroll for the first time until the second semester following graduation, you must, in writing, notify the Office of Financial Aid by August 1st. You may not attend another institution during the fall semester.
- Must be a full-time student at UNK (12 or more credit hours) each semester. Failure to enroll for a semester will result in forfeiture of the scholarship. Enrollment status will be checked on the last day of the first week of classes (drop and add week). The scholarship will be cancelled and will be forfeited if you are not at full-time status at that time.
- Cannot be transferred to another institution, this includes the University of Nebraska Medical Center.
- May be used for summer sessions for less than full-time enrollment. You must request to use the scholarship in the summer by contacting the Office of Financial Aid.
- Eligibility will end once upon receipt of a bachelor's degree or after eight semesters, whichever comes first.
- Scholarship amount will be based on enrollment status at the end of the first week of classes. The amount will be adjusted if a course is dropped during the institution's refund period.
- Award will not apply to account until official documents (high school transcript and official test scores) are received by the University of Nebraska at Kearney's Office of Undergraduate Admissions.

Contact the Office of Financial Aid ([fnaid1@unk.edu](mailto:fnaid1@unk.edu) or 308-865-8520) if you have any question regarding these conditions.
