Instructions for Student: Since grades are to be reported by Tuesday, October 8th, on **Wednesday, October 9th**, students can log-in to MyBlue to review their mid-semester grades for each UNK class they are enrolled in. First, complete the top section of the form. Next, students should record their course name, instructor last name, the number of credit hours for the course, and the current letter grade at mid-semester. Additionally, using MyBlue, students will need to indicate which classes are included in the GPA calculation and if the class is a mini-session or a regular academic class (August 26-December 19). A comments section is included for you to provide input about classes; for example, you might note “Have had perfect attendance,” “Have only had one exam so far,” “My mini class begins on...,” to detail your academic progress. Finally, calculate your GPA for courses that are included in your GPA using the GPA calculator.

Once this form is completed, submit a copy of the form to each organization you are connected with following their submission guidelines by **Thursday, October 10th at 5 PM**. Should you have any questions, contact TSLC: 865-8364, Fraternity/Sorority Life: 865-8057, TRIO-SSS: 865-8988, or Kearney Bound: 865-1593.
