1.2 **Introduction**

The University of Nebraska at Kearney (“UNK”) invites proposals from qualified Suppliers to provide the goods and/or services described below. If the RFP process is successful, UNK will enter into a contract with the successful Supplier for the product or service.

UNK is soliciting proposals to provide chartered bus transportation for the department of Intercollegiate Athletics and other University related groups in accordance with the terms, conditions and requirements set forth in this Request for Proposal (“RFP”).

1.3 **Expectations**

The University currently has an agreement with Navigator MotorCoaches Incorporated; the current term ends on June 30, 2020. Group sizes vary greatly and can range from a small team of 15 to a large group of 70. Therefore, there is a need for large capacity coach buses, and smaller buses. Travel could consist of hourly needs, one-day, overnight and multi-night travel both locally and to various long-distance locations. The expenditure amount listed in this RFP and the trips included are for reference only and do not in any way guarantee an amount of future business. They are meant to serve only as estimates for charter bus travel, and actual future expenditures may be above or below these amounts.

1.4 **Contract Term**

The term of this agreement will be July 1, 2020 – June 30, 2023 with options to renew for two additional two-year periods. The University reserves the right to extend beyond the Contract Term if deemed to be in the best interest of the University.
SECTION 2: Required Response Questions
Each Supplier shall submit a complete response or indicate its consent to each requirement described below. Supplier should reference the item number and repeat the questions in its response. In cases where question do not apply or if unable to respond, Supplier should refer to the specification number, repeat the question, and indicate N/A (Not Applicable) or N/R (No Response), as appropriate. Supplier will explain the reason when responding N/A or N/R.

2.1 History and Background of Supplier

2.1.1 Describe your company (a brief history may be appropriate), the nature of its legal entity (e.g. Nebraska corporation, limited partnership), its size and locations and number of employees. Confirm that your company is qualified to do business in Nebraska.

2.1.2 Identify any litigation or claim brought against your company within the last seven years, which might reflect adversely on your company’s professional image or ability to provide the goods or services sought under this RFP.

2.1.3 Is your company currently for sale or involved in any transaction to expand or to become acquired by or merged with another organization? If so, please explain. Has your company been involved in any reorganization, acquisition or merger within the last two years? If so, please explain.

2.1.4 Does Supplier, to the best of its knowledge, have any relationship with a member of the Board of Regents of the University of Nebraska, an employee of the University of Nebraska or other representative of the University which may, or may be perceived, to be a potential conflict of interest for either the Supplier or the University? If so, please explain in detail.

2.1.5 Charter Bus Suppliers must meet state standards of equipment and drivers per Nebraska Administrative Code Trans 300, Subchapter II (equipment) and Trans 300.16 (driver or equipment). Selected Supplier must be licensed to provide intrastate and interstate service, where applicable. Selected Supplier will be responsible for compliance with all Federal and State DOT regulations regarding their service for the University.

2.2 Personnel

2.2.1 All drivers should have successfully taken both written and road tests. In addition, all drivers must be subjected to a physical examination, which shall include initial testing for drugs and alcohol in accordance with the Department of Transportation’s rules and regulations.
2.2.2 The selected Supplier(s) must have an ongoing drug and alcohol program in place, and will be required to conduct random drug testing on its drivers. Results of initial and subsequent testing must be made available to University officials if requested. Supplier must prohibit any driver failing such tests to operate vehicles for University events.

2.2.3 The successful Supplier(s) must have drivers in sufficient quantities to meet the needs of this contract and to provide substitutes where necessary. Provide a complete list of all employees including name, job title and years with the Supplier. As applicable, this must include management, administration, drivers, mechanics and support staff. Driver list must show Commercial Driver’s License (CDL), physicals, first aid, Defensive Driving Course, accident and violation history and all related details.

2.2.4 Upon request, the University reserves the right to receive current information for Supplier’s employees.

2.2.5 During University trips, the driver must make every effort to secure students’ possessions against theft.

2.2.6 Supplier is required to furnish drivers with detailed, accurate directions to all destinations and return as well as verifying all trips with the authorized University liaison prior to dispatch. The University will not be responsible for any trips or charges which are not confirmed prior to dispatch. The driver must be familiar with the designated routes so as to prevent any delays and extra miles logged due to driver error beyond a reasonable mistake. Drivers are to be aware of any road construction and chart alternative routes to avoid delays.

2.2.7 The University may request a driver be unassigned to drive for University events for reasonable cause. The University will provide written notice to the Supplier in such instances.

2.2.8 The University will cover lodging expenses for driver on overnight trips.

2.2.9 The University may provide meal(s) for bus driver(s) while transporting UNK athletes/students/personnel as necessary.

2.3 References

2.3.1 Provide your history of providing charter bus service for the past three years; include experience with large groups traveling on multi-day trips.
2.3.2 Complete EXHIBIT D- References with no less than three commercial customer contacts that can substantiate Supplier’s ability to execute their proposal. Preference would be to have references from past agreements that are similar in size and scope. For each contact identified, provide the name, organization, telephone number, and recent project(s) completed for the contact’s organization.

2.3.3 Equal Opportunity: It is the policy of UNK to provide equal opportunity and not discriminate in enrollment, education, employment, public accommodations, activities or services on the basis of race, color, religion, sex, national origin or other prohibitive matters. It shall be the policy of the University to patronize only those firms and Suppliers that demonstrate a commitment to equal opportunity within their own enterprises and who abide by Federal and State Laws. The Supplier awarded the Contract will be required to complete EXHIBIT C – Equal Opportunity Clause and Certification of Non-Segregated Facilities.

2.4 Exclusivity

2.4.1 UNK will promote Supplier as the exclusive transportation company of Loper Athletics through the use of public service announcements and video board advertising. As the exclusive ground transportation provider for UNK Athletics, Supplier will have the “first right of refusal” to contract for UNK Athletic Department travel. Should Supplier be unable to fulfill UNK Athletics travel needs, it is acceptable for UNK Athletics to use another carrier to provide ground transportation. This is acceptable only upon written permission from Supplier to the UNK Athletic Director.

2.4.2 Other UNK Departments will be able to utilize the contracted pricing for events but utilization is not exclusive to departments outside of Athletics.

2.4.3 There are times when UNK Athletics sends a small number of participants to an event and a bus is not the most economical means of transportation; rather a 12-passenger van is more appropriate.

Will Supplier rent 12-passenger vans; if so, provide pricing in Exhibit A. If not, respond with the minimum number of travelers Supplier can economically accommodate thus, requiring transportation be contracted through Supplier. If the number of travelers is less than the minimum number, exclusivity provisions do not apply and Athletics may contract transportation with an alternate provider.

2.5 Pricing

2.5.1 Provide firm pricing for the initial contract term (three years).

2.5.2 After the initial 3-year term, price increases will be negotiated with the respective renewal period.
2.5.3 The University generally requires 40-50 and 56 passenger buses. If other sizes are available, please specify sizes and pricing. Complete EXHIBIT A – Pricing. Pricing and instructions provided should be such that a University coordinator, with minimal experience, can calculate the complete cost of any contemplated trip.

2.5.4 The nature of Athletics results in unexpected scheduling changes and immediate transportation needs, Supplier shall to the best of its ability address such needs. In the event only a larger than necessary MotorCoach is available, Supplier agrees to limit charges to the next available size beyond the necessary MotorCoach. For example, an unplanned (less than two weeks’ notice) request for a 30-38 passenger MotorCoach can be met with either a 47 or 56 passenger MotorCoach. If a 56 passenger MotorCoach is provided, Supplier will limit charges to those outlined for the 47 passenger MotorCoach.

2.5.5 Provide a cancellation policy including applicable charges to the University.

2.5.6 Bus Wrap - The University desires to wrap a 56-passenger MotorCoach with UNK’s logo and branding. UNK’s Director of Athletics and Director of Communications & Marketing will have the final design approval. In the response, include if this is feasible and amount the Supplier will contribute toward this expense.

2.5.7 Provide detail for annual in-kind sponsorship or discounts from Supplier.

2.6 Vehicle Requirements

2.6.1 Supplier must have a sufficient quantity of buses to meet the needs of this contract as specified. In addition, Supplier must have the capability to provide a substitute vehicle due to breakdown for a similar situation. Supplier must have capability to expeditiously resolve any breakdowns or malfunctions that occur when the vehicle is in route. The Supplier should state their contingency plan for breakdowns. Any additional costs incurred by the University to obtain alternate transportation as a result of the Supplier’s inability to complete the trip as required will be deducted from any amount due the Supplier. Supplier must guarantee substitute buses when vehicle is inoperable, etc.

2.6.2 All vehicles provided to the University minimum requirements:

- Vehicle must be comfortable and clean
- Vehicle must be in good, safe mechanical condition
- Vehicle must have functioning heater and A/C system
- Vehicle must have adequate storage
- Exterior should be well painted and clean
- Interior should be clean, with upholstery and flooring in good condition
- No smoking policy
All vehicles (29-passenger bus or larger) must meet these additional requirements:

- Age: 15 years or less
- WiFi accessible to travelers
- DVD/TV unit in excellent working condition
- Restrooms clean and in excellent operating condition
- All reclining seats operable and in excellent condition, including upholstery, arm and footrests
- Vehicle must have a minimum of two different sets of operational interior lighting, including individual overhead seating reading lights.
- Secured overhead storage and enclosed under carriage storage with locks
- Fire Extinguishers
- First Aid Kit

2.6.3 Above motor coaches have been determined to best meet the needs of the University for Travel, however, proposals for motor coaches and vehicles varying somewhat from the above requirements in terms of exact number of seats and seating arrangements may be considered and evaluated.

2.6.4 All vehicles used in fulfillment of this contract must be owned, operated, and maintained by the selected Supplier. The University specifically prohibits the use of third-party companies to provide transportation as specified above without written approval from UNK’s Director of Athletics.

2.6.5 The University reserves the right to inspect a representative vehicle owned by the selected firm prior to award. In addition, the University reserves the right to periodically inspect vehicles during the term of the contract and to reject any vehicle for use if deemed inappropriate, unsafe, etc.

2.7 University System Participation
Supplier acknowledges that in some instances, other University campuses or state agencies may wish to explore the possibility of sharing in the benefits of this RFP and its resultant contract.

2.8 Non-Collusive Bid
Supplier acknowledges that any bid responses submitted are not the result of collusion with other eligible bidders, with any employee of the State or University, and no effort has been made to preclude the University from obtaining the most advantageous response possible to this bid.
2.9 **Insurance**

2.9.1 The Supplier agrees to indemnify, defend and hold harmless the Board of Regents of the University of Nebraska, its officers, employees and agents from and against any and all claims, losses, liability, costs or expenses, including attorney fees arising out of the negligent acts or omissions of Supplier, its agents and employees not otherwise the result of the negligence, misconduct or other fault of the University, its employees or agents.

2.9.2 The Supplier shall bear the full and complete responsibility for all risks of death, personal injury, damage or loss of equipment, products or money, or other claims resulting from the negligent acts or omissions of Supplier, its agents and employees in its performance under the contract award and shall not penalize the University for any such losses.

2.9.3 Supplier shall, at Supplier’s sole cost and expense, obtain and maintain the minimum insurance coverages set forth below. By requiring such minimum insurance, the University shall not be deemed or construed to have assessed the risk that may be applicable to Supplier under this Agreement. Supplier shall assess its own risks and, if it deems appropriate and/or prudent, maintain higher limits and/or broader coverages. Supplier is not relieved of any liability or other obligations assumed or pursuant to this Agreement by reason of its failure to obtain or maintain insurance in sufficient amounts, duration, or types. Any carrier providing coverage shall have a minimum A.M. Best’s Insurance Guide rating of “A-VII.”

**Coverages:**

1. Commercial General Liability coverage of at least $1,000,000 per occurrence and $3,000,000 in the annual aggregate. Coverage to include:
   a. Premises and operations
   b. Personal injury/advertising injury
   c. Products/completed operations
   d. Liability assumed under an insured contract (including tort liability of another assumed in a business contract)
   e. Independent contractors

2. Automobile Liability – coverage to include:
   a. Owned vehicles
   b. Leased vehicles
   c. Hired vehicles
   d. Non-owned and employee non-owned vehicles
   e. Personal injury protection (where applicable)

3. Workers’ Compensation and Employers’ Liability

Supplier shall name the University and its regents, officers, employees, agents, and volunteers as Additional Insureds. All policies must be written on a primary basis, non-contributory with any other insurance coverages and/or self-insurance carried by the University. All policies must contain a waiver of subrogation clause. A
certificate of insurance evidencing all coverages required is to be provided at least five (5) business days prior to the inception date of this Agreement. Policies may not be non-renewed, cancelled, or materially changed or altered unless thirty (30) days advance written notice is provided to the University.
SECTION 3: Proposal Submittal Requirements

3.1 Submittals and Bid Opening
One (1) electronic copy of any proposal via USB Flashdrive, along with required exhibits, in response to this RFP must be received by UNK in the Procurement & Payment Services office, 2504 9th Ave, University of Nebraska at Kearney, Kearney, Nebraska 68849-1240 no later than the date and time set forth on the cover of this RFP. At that time, the proposals will be opened publicly. No proposals received after the opening time will be considered. All proposals submitted, along with any exhibits, addenda or modifications, shall be the property of UNK.

3.2 Submitting of Proposal
3.2.1 Mail: Each Supplier is responsible for making sure their proposal is properly addressed/identified. In order to assure proper processing and receipt, your bid submittal should be returned in a sealed envelope (or parcel) and delivered to/addressed as follows: University of Nebraska at Kearney, Procurement & Payment Services, 2504 9th Ave, Kearney, NE 68849-1240 along with the applicable “RFP Number” and “Title of Submittal” to which you are responding.

3.2.2 In person: If you are delivering your proposal in person, it should be sealed, submitted and labeled in the above manner, and given to an authorized member of the Procurement & Payment Services staff. This provides immediate submittal identification.

3.3 Supplier Questions, Clarifications, and Addenda Interpretation
3.3.1 It is the responsibility of each Supplier to become familiar with the project requirements. Lack of knowledge concerning the project requirements will not relieve Suppliers of the conditions required as responsive to this RFP.

3.3.2 Except in the course of preliminary conference open to all interested parties, should one be held, no interpretation related to the requirements of this RFP will be made verbally to any Supplier by UNK. Any request for interpretation shall be put in writing and faxed or e-mailed by the Supplier and addressed to:

Scott Benson
Procurement & Payment Services
University of Nebraska at Kearney
Kearney, Nebraska 68849-1240

FAX (308) 865-8668
E-mail: bensonsa1@unk.edu
3.3.3 In order to be given consideration, any requests for interpretation must be received no later than March 20, 2020. Any and all interpretations and any supplemental instructions provided by UNK shall be in the form of a written addenda to the Request for Proposal, which if issued, will be mailed, e-mailed or faxed to all known interested parties or Suppliers, or such other form of communication as UNK deems reasonably likely to reach interested parties; provided however, that Suppliers who were notified of this RFP by accessing the UNK Office of Procurement & Payment Services website are responsible to check the website from time-to-time in order to inform themselves of any addenda to the RFP. The Supplier, not UNK, is responsible to secure notification and delivery of any addenda. Failure of any Supplier to receive any addenda or other information released by UNK after the initial distribution of this RFP shall not relieve the Supplier from the obligations specified in addenda or other releases. All addenda shall be incorporated in the RFP to the same effect as if they were set out in the initial RFP release. Last day Suppliers will receive addendums will be March 24, 2020.

3.3.4 The Suppliers are solely responsible for providing their correct mailing addresses, email addresses and fax numbers for any response to inquiries. UNK is not responsible for lost or undeliverable responses.

3.4 Cost of Preparation
UNK will not be responsible for any costs incurred in preparation of the Supplier’s proposal.

3.5 Supplier Qualification
UNK may make any investigations deemed necessary or request any documentation to evaluate the ability of the Supplier to perform the specifications of this RFP. The Supplier shall furnish UNK with pertinent information and data upon request. UNK reserves the right in its sole discretion to reject any bid based on the facts resulting from an investigation which indicate that a Supplier: (a) is not properly qualified to carry out the obligations of any contract awarded; or (b) presents a public image not in keeping with the professional standards and reputation which UNK expects. Conditional proposals will not be accepted.

3.6 Exceptions
Any exceptions with respect to any requirement of this RFP must be specified in writing as part of the submitted proposal. Specific reference must be made to the paragraph numbers and other identifying criteria with respect to any exceptions proposed by the Supplier. Generally, UNK will not look favorably upon the request for any exceptions. However, UNK recognizes that in certain instances, an exception may be appropriate, and therefore, will consider and reserves the right to grant exceptions when UNK deems such exceptions promote its best interests. Conditional proposals will not be accepted. Unless the exceptions are stated with the proposal at the time of its submission, no further consideration of the exceptions exist and the Supplier will be held responsible for compliance to the detail of all specifications, terms and conditions in this RFP.
3.7 **Bid Evaluation and Award**

3.7.1 A signed response shall be considered an offer on the part of the Supplier. Such offer shall be deemed accepted upon issuance, by UNK, of purchase orders, contract award notifications, or other documents appropriate to the work.

3.7.2 No bid shall be modified or withdrawn for a period of ninety (90) calendar days after the Bid Deadline, and each Bidder so agrees in submitting the bid.

3.7.3 In case of a discrepancy between the unit prices and their extensions, the unit prices shall govern.

3.7.4 The bid will be awarded to the lowest responsible, responsive Bidder whose bid will be most advantageous to UNK, and as UNK deems will best serve the requirements and interest of UNK.

3.7.5 A tie bid occurs when two or more bids are received with the same unit price and are of equal quality. In accordance with the provisions of Neb. Rev. Stat., § 73-101.01, when a University contract is to be awarded to the lowest possible Bidder, a resident Bidder shall be allowed a preference over a non-resident Bidder from a state which gives or requires a preference to Bidders from that state. Reference: Board of Regent Policy RP-6.2.1.10 Resident Bidder Preference. Tie bids involving two or more Nebraska Bidders will be resolved by a witnessed, coin toss.

3.7.6 UNK reserves the right to accept or reject any or all bids; to request rebids; to award bids item-by-item, with or without alternates, by groups or “lump sum”; to wave minor irregularities in bids; all as shall best serve the requirements and interests of UNK.

3.7.7 In order to determine if the Bidder has the experience, qualifications, resources and necessary attributes to provide quality workmanship, materials and management required by the plans and specifications, the Bidder may be required to complete and submit additional information as deemed necessary by UNK. Failure to provide the information requested to make this determination may be grounds to declare such Bidder non-responsive and may result in disqualification.

3.7.8 UNK reserves the right to waive any irregularity or other requirement, which it deems does not materially affect the selection process. Factors that may be considered include, but are not limited to, clarity and responsiveness, conformity with bid specifications, cost effectiveness, design, delivery, installation, the specific needs of the UNK community, Bidder’s reputation and/or past performance, quality of goods and/or services offered to UNK, technical performance, installation, and ability to expand with UNK’s needs. UNK reserves the right to reject any irregular bids that contain unauthorized additions, conditions, alternate bids, or irregularities that make the bid incomplete, indefinite or ambiguous.

3.7.9 University System Participation: Other University campuses or state agencies may wish to explore the possibility of sharing in the benefits of the RFP and its resultant contract.

3.7.10 Submissions will be evaluated, and the contract, if any, awarded and performed in compliance with all relevant UNK policies.
3.7.11 No representative of a Bidder should directly or indirectly contact any member of the evaluation committee, or any faculty or staff member concerning this bid, unless permission is explicitly given to the Bidder by the Director of Procurement Services, for the purposes of providing additional information or facilitating the evaluation. Any attempt by a Bidder to contact a member of the evaluation committee or any other faculty or staff member about this bid without proper authorization can lead to disqualification.

3.7.12 UNK reserves the right to request additional information from a Bidder in any format which UNK deems necessary to evaluate the proposals, including formal Q & A or meetings and presentations. The evaluation may include subjective assessment of the proposal materials, including factors not listed specifically in this bid.

3.7.13 Bidders may be required to submit samples of any item or product offered in response to this bid. Each sample must be clearly identified with the name of the Bidder, name of the manufacturer, or other information, if requested, relevant to the evaluation of the sample.

3.7.14 UNK reserves the right to conduct discussions and negotiations with any or all respondents to this bid, concerning any element of or response to this bid, for the purpose of clarification and modification. Discussion and negotiation may include, but is not limited to, the scope of work, design, schedule and price.

3.7.15 Upon completion of the evaluation process, Bidders will be notified via email or letter, of the identity of the successful Bidder. If for any reason, UNK and the successful Bidder fail to finalize a contract, UNK reserves the right to attempt to enter into a contract with the next most responsive Bidder(s), based on evaluation results.

3.7.16 UNK reserves the right to reject all proposals received and discontinue the evaluation and selection process at any time. UNK also reserves the right to re-solicit proposals in response to this bid or any amendment to this bid. If no responsive bids are received, UNK reserves the right to negotiate with any firm in order to substantially fulfill the bid under such terms and conditions as UNK deems best serve its needs.
SECTION 4: TERMS AND CONDITIONS
The information contained in this section is a partial listing of standard terms commonly appearing in contracts awarded by UNK. All proposals are subject to these terms, unless otherwise explicitly stated.

4.1 General
The specifications, terms and conditions set forth in this RFP and any related award document shall be incorporated by reference, without Supplier exception, into any resulting contract between the University and the successful Supplier. Any additional or different terms proposed by the successful Supplier are not accepted, unless the same are expressly accepted in writing by UNK. The contract may not be changed in any way except by an instrument in writing signed by both parties. The contract cancels and supersedes any prior understandings or agreements between the parties with respect to the subject matter hereof. Failure of any party to enforce its right under the contract shall not constitute a waiver of such rights or of any other rights under the contract.

4.2 Termination for Cause
UNK may terminate the contract at any time if the successful Supplier fails to carry out its terms or fails to make substantial progress toward the fulfillment of those terms. In such an event, UNK shall provide the successful Supplier with a thirty (30) day written notice of the terms in breach. If after such notice, the successful Supplier fails to remedy the breach within those 30 days, UNK may immediately cancel the contract.

4.3 Contract Assignment
Contracts granted pursuant to this RFP shall not be transferred or assigned without prior written consent of UNK.

4.4 Contract Payments
The Nebraska State Treasurer has directed that individual Supplier payments of $25,000 or more be processed via ACH (direct deposit to Supplier’s bank). Any Supplier who is not currently set up to receive payments from the State of Nebraska and/or the University of Nebraska via ACH, must complete the State of Nebraska ACH Enrollment Form and forward the form to the Nebraska Department of Administrative Services so that the University can complete payment of invoices generated from the award of this contract. The form can be found at http://www.treasurer.state.ne.us/documents/tm/pubachform.pdf.

4.5 Indemnity, General and Patent
The successful Supplier shall indemnify and save harmless UNK and its respective officers, agents and employees from and against any and all liabilities and losses whatsoever, including without limitation, costs and expenses in connection therewith, on account of, or by reason of, injury to or death of, any person whosoever, or loss of or damage to any property whatsoever, suffered or sustained in the case of, or in connection with, the performance of the contract, except for that liability and loss arising from the acts or omissions of UNK or its agents.

Unless otherwise exempted by rules, regulations or orders issued under Executive Order 11246, during the performance of each order received from the Buyer:

"(1) The Contractor will not discriminate against any employee or applicant of employment because of race, color, religion, sex or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.

"(2) The contractor will, in all solicitations or advertisement of employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.

"(3) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under Section 202 of Executive Order No. 11246 of Sept. 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

"(4) The contractor will comply with all provisions of Executive Order No. 11246 of Sept. 24, 1965, and of the rules, regulations and relevant orders of the Secretary of Labor.

"(5) The contractor will furnish all information and reports required by Executive Order No. 11246 of Sept. 1965, and by the rules, regulations and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations and orders.

"(6) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contractor with any of such rules, regulations or orders, this contract may be cancelled, terminated or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order No. 11246 of Sept. 24, 1965, and such other sanctions may be imposed and remedies involved as provided in Executive Order No. 11246 of Sept. 24, 1965 or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

"(7) The Contractor will include the provisions of Paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations or orders of the Secretary of Labor issued pursuant to Section 24 of Executive Order No. 11246 of Sept. 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the contracting agency may direct as a means of enforcing such provisions including sanctions for noncompliance: Provided, however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the contracting agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.
