To assist in reducing the spread of COVID-19, we expect all students and guests to follow these guidelines:

- Wear a mask in the building to reduce spread (hallways, lounges, lobbies, elevators, etc)
- Limited to two guests assisting with your move-in
- Follow foot path directional signs
- Use elevator for full moving carts and utilize stairs for getting in and out of building unless you have mobility impairment
- One student and guest group at a time per elevator
