3. Student enters check-in building's front door to receive room key. Guests/ family stay in the vehicle.
  - Bring a driver's license to exchange for a small cart to assist with move-in. Limit your cart time to 20 minutes, return to desk, receive your driver's license back.
4. Unload car – pay attention to directional signs.
5. Set-up your room.

- Follow foot path directional signs
- Use elevator for full moving carts and utilize stairs for getting in and out of building unless you have mobility impairment
