Scope

The Office of Residence Life supports UNK groups wishing to have collection points within the residence halls and Village Flats Apartments for students to donate items for philanthropic purposes.

Below is the policy and procedures that the UNK Residence Life Office has established for groups wanting to set up collection areas within the residence halls.

Policy Statement

The UNK Residence Life Office supports recognized UNK organizations wanting to conduct item donation collections within the residence halls (including Village Flats Apartments). Acceptable collection drives could include, clothing, school supplies, coats, shoes, etc. Groups are not allowed to collect money within the residence halls.

The Residence Life office will allow one (1) group to do a collection event at a time. Groups wanting to set up collection points within the residence halls, must register their event at least three (3) weeks prior to the start of their collection period online by

completing the <<**Residence Hall Donation Collection Form**>>. Once a group has been approved to host a collection event within the residence halls, the organization contact person and the organization sponsor (if a student organization) will be sent a copy of the **Residence Hall Donation Collection Procedures**. The organization contact person must make arrangements with the Residence Life Office to retrieve a Vendor Access Card when they want to set up or collect items from the donation bins.

Collection bins will be provided by the Residence Life Office. Each residence hall will have one (1) collection location. Collection bins will be located at the following locations:

- Antelope Front Desk
- CTW Front Desk
- CTE Front Desk
- Mantor/Randall Desk
- URS Desk
- URN Common Area
- Village Flats Desk

Groups may collect items within the residence halls for up to 14 days. Groups should arrange to check on the donation site's part way through to make sure donation bins are not overflowing.

Groups that fail to follow the policy or procedures will not be allowed to do future collection events in the residence halls.
