

(Activity Directors: Provide one copy of this document to Activity Worker)

The following guidelines were developed to avoid questionable contact between Activity Workers and youth participants. The preferred method is to avoid private one-on-one interactions and always have another adult observer present during all interactions with youth participants. This will provide greater protection to the youth and the Activity Workers.

Definitions

- Youth—Any person under the age of 19, excluding full- and part-time UNK students
- Activity Worker –includes directors, coaches, assistant coaches, trainers, student assistants, staff, faculty, officials, referees or contracted teachers or any other adult or student acting as a supervisor/mentor/worker in a paid, unpaid or volunteer status.
- Activity Director –a person who plans, directs and supervises all youth activity programs and staff
- Activity Support Staff –any person who provides support services such as food service, custodial, maintenance, etc. for the activity.

Activity Worker Judgment

Activity Workers are role models to the activity participants and should act accordingly. Ask yourself the following questions regarding your decisions and the situations you may find yourself in as an Activity Worker. Contact the Activity Director if you have questions or concerns.

1. What are the physical risks involved in this activity/decision?
2. Are there any foreseeable risks? What dangers can be avoided?
3. Who is this activity/decision for, the youth or me?
4. How will youths benefit from this activity and how is it related to the purpose of the activity?
5. What would I do if the youths or their parents were watching?
6. What would I do if the Activity Director was watching?
7. Could my action/decision cost me my job?
