

DOES YOUR PARENT MAKE THE GRADE?  
SAFE DRIVING REPORT CARD

The purpose of the Safe Driving Report Card for the Parents is to identify areas of encouragement or driver improvement for parent-drivers. As a teen, you play an important role in your parent’s prioritization of safe driving habits. Often, parents forget that they are the number one role-model for safe driving behavior with their teen! Help remind them how important it is they always model responsible and courteous driving.

Be sure to let them know that you will be monitoring and evaluating their driving behavior.

GRADING SCORES

- ☐ **EXEMPLARY**  
No Boxes in Section 3 Checked  
Driving performance was safe and courteous. Your parent-driver followed all traffic laws and speeds, and did not use or engage with their phone while driving. Parents in this category will have exhibited safe driving tendencies for the entire duration of the trip.
- ☐ **NEEDS IMPROVEMENT**  
Any Boxes in Section 3 Checked  
Driving performance in that area was below desired safety standards. Your parent-driver followed some traffic laws, but perhaps they were not mindful of their speed, used their cell phones while driving, or didn’t buckle up. More attention to safety should be given.
